Tasia Pinkham

Whitney Henley

University Health & Counseling Services

General Goal:

Assess the educational and training materials that are used on the UW-Whitewater campus that pertain to Title IX and Sexual Assault/Harassment while incorporating LEAP Principles into the programs.

Planned Actions:

Spring 2015 Goals:

1. Assess current sexual assault prevention programs utilized at UW-Whitewater.
2. Evaluate and reform the programs to be inclusive and use the LEAP Framework.
3. Create recommendations to improve the programs, increase participation in the programs and incorporate LEAP Principles into the programs being used.
4. Develop an evaluation matrix based on information gleaned from the past several months to assess current and potential programs in terms of both content and the inclusion of LEAP Principles.
5. Share recommendations with stakeholders.

2015-2016 Goals:

1. Implement as many recommendations as possible, including increased marketing of the sexual assault prevention programs and the LEAP Framework.

Evaluate the effectiveness of the LEAP Project Team's work through comparison of survey results and participation rates from the previous year and the current year.

Deliverables, Completed Actions:

- Thing one
- Add completed actions as necessary

Notes:

Teams, add any special notes here.
