Update on Accreditation Reviews

1. The sixth entry should be changed to note that the Council on Accreditation of the American Speech-Language-Hearing Association accredits the program in Audiology and Speech-Language Pathology. This should be a single entry rather than two (replacing Communicative Disorders and Speech-Language Pathology).
2. The dates for the ninth entry, American Assembly of Collegiate Schools of Business, should be changed to reflect that a review was completed in 1998-99 and the next scheduled review will be in 2008-09.
3. Add:
Program/Unit: Counseling (MS)
Agency - Council for the Accreditation of Counseling and Related Education Programs
Last completed review - 2000
