Criterion Three: Core Component 3d Sub Committee Meeting
Nov 11, 2004 (10.00 am)
Baker 119

Present: Choton Basu, Gary Harms, Linda Long

The subcommittee met to discuss the outcome of the meeting with T&IR.

The committee agreed that the meeting went very well though it was not going to be easy to gather this data. It was decided that the committee would start to gather documentation on budgets and even gathering some redbooks to find data.

The committee also evaluated some of the questions distributed by the criterion 3 survey and how that data can be used to prepare the report for sub-criterion 3d.

It was decided that the next meeting would be after Thanksgiving.
