Note: As it is with honors courses, the concept for an H-Option should be “*enrichment, not extra work.*” The goal of the H-Option is to make the course more challenging and demanding not by simply assigning *more* work, but by allowing the student to take more educational *value* from the work that is assigned.

1. Describe the plan for the project in as much detail as possible.

2. What do you hope to learn from this experience?

3. How does this project distinguish you from the other students in the class and allow you to take more value from the class?
