

# AntiHazing Quiz

The University of Wisconsin - Whitewater is committed to preventing hazing and increasing the knowledge about this topic by all UW-W students.

The AntiHazing Materials and Quiz are now found using D2L. The following directions will lead you to where the course is located, and show you how to register for the course.

This quiz must be passed by 2 members of your organization, one of which is the president on May 15, 2011. The quiz is taken separately by each person, and may be repeated up to 10 times. To pass, one must earn an 80% or higher.

## Self Registering for a Course in D2L

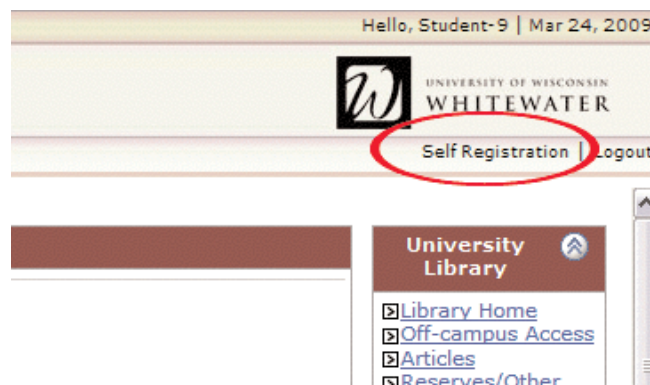

### Introduction

While timetable course registration at UW-Whitewater is done through WINS, some non-timetable courses exist in D2L, where WINS does not or cannot manage enrollment. For such courses, students have the option of self registering for the course.

**IMPORTANT:** you cannot register for timetable courses using this mechanism. Courses offered through this mechanism of registration are for courses that have no bearing on your grade.

### How to Enroll in a Course

1. Login to D2L using your UW-W Net-ID. You will be taken to your D2L homepage.
2. In the D2L navigation bar, to the left of the 'Logout' link is 'Self Registration'. Select the link.

3. You will be presented with a list of courses you are eligible to register for. Select the name of the course to begin the registration process. **NOTE:** there is no cost association to any course offering. This column of the course list can be ignored.

## Unenrolling From a Course

To be un-enrolled from a course where you self registered, the organizer ("instructor") of the course will need to un-enroll you.
