27. In general, people are poor for reasons beyond their control.

28. It is a good thing that cultures are becoming more similar.

29. I am concerned about how my everyday activities and purchases affect people around the world.

30-40~ This course has helped me to:

30. Acquire a base knowledge common to educate persons, and the capacity to expand that base over a lifetime

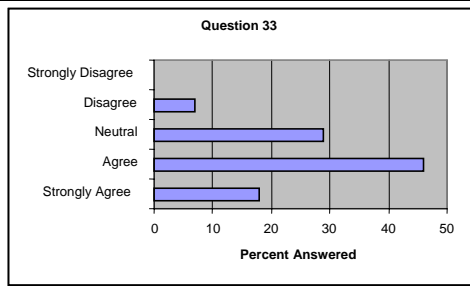

31. Understand the nature of scientific and systematic inquiry in the social sciences

32. Understand the major concepts, theories, and perspectives employed in the study of human behavior and the social and cultural world

33. Think critically and analytically, integrate and synthesize knowledge, and draw conclusions from complex material

34. Recognize diversity in American and other cultures, both contemporary and historical

35. Understand the development of individuals within diverse social, cultural and historical contexts

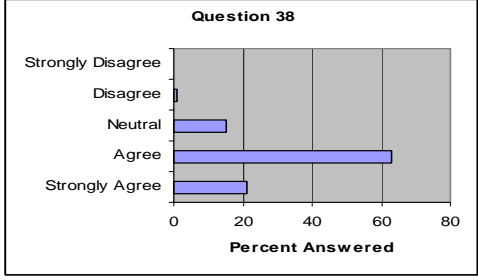

36. Understand the effects of gender, race, class and nationality on individuals in society.

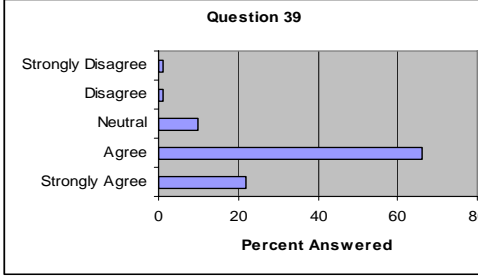

37. Recognize key social science concepts with written autobiographical accounts

38. Understand how individuals and groups are interrelated, and the ways in which social groups and institutions are created and evolve.

39. Recognize how people's personal values influence their social perceptions and decisions

40. Recognize the potential for people to effect change in social institutions, and understand the responsibility of individuals living in an interdependent world

41-56

41. It upsets me to go into a situation without knowing what I can expect from it.

42. I'm not bothered by things that interrupt my daily routine.

43. I enjoy having a clear and structured mode of life.

44. I like to have a place for everything and everything in its place.

45. I find that a well-ordered life with regular hours makes my life tedious.

46. I don't like situations that are uncertain.

47. I hate to change my plans last minute.

48. I hate to be with people who are unpredictable.

49. I find that a consistent routine enables me to enjoy life.

50. I enjoy the exhilaration of being in unpredictable situations.

51. I become uncomfortable when the rules in a situation are not clear.

52. Even after I have made up my mind about something, I am always eager to consider a different opinion.

53. I dislike questions which could be answered in many different ways.

54. I feel irritated when one person disagrees with what everyone else believes.

55. In most social conflicts, I can easily see which side is right and which is wrong.

56. When considering most conflict situations, I can usually see how both sides could be right.
