

USING THE QUERY LIBRARY

The Query Library is a collection of pre-defined queries allowing you to access the data you need quickly and easily. The data is updated nightly. (The Query Library will time out after 30 minutes of inactivity.)

Before using the Query Library, please familiarize yourself with the UW-W FERPA policy.

The Query Library is located on the Registrar's webpage (www.uww.edu/registrar) – Faculty & Staff – Query Library.

Select the link for the query you wish to access.

Set the **Campus** to UW-Whitewater (Net-ID)

Set the **Application** to Hyperion (If necessary)

Enter your UWW **Net-ID & Password**. (If you need assistance, go to UWW Password Reset – <https://password.uww.edu>)

Save my campus and username – If you select this box, you will only need to enter your password each time you use the Query Library in the future.
