Course Topic (if applicable)

1. All students entering the pre-professional education pre-block courses, including undergraduates, transfer students, and baccalaureate degree holding students, must meet the following criteria:

[a] Passing scores on at least two subtests of the Pre-Professional Skills Test PPST;

[b] A 2.75 grade point average on a minimum of 12 credits.

2. Students seeking teacher licensure must be admitted to Professional Education in order to enroll in selected upper divisions courses (300-400) in Education. For information pertaining to admission to Professional Education, check at Winther Hall Information Desk.

3. The Wisconsin Department of Public Instruction licensure code requires all new graduates in Early Childhood and Elementary Education to complete the Environmental Education requirement. Either Biology 214, Ecology and Society, or Geography 252, Human Environmental Problems, will partially satisfy the requirement. Students should check with their advisers about the requirement.

#### PROFESSIONAL EDUCATION ADMISSION

For courses Restricted to Professional Education Admission: Practicing Teachers must have a copy of their teaching certificate and the application to Professional Education for Licensed Teachers on file with the College of Education (send to Winther Hall 2033, UW-W, Whitewater, WI 53190) prior to registering. Teachers seeking their first license must be admitted to Professional Education at UW-W. This is in addition to being admitted to, and enrolled in, a graduate program.

### CURRICULUM AND INSTRUCTION

**Curriculum & Instruction Field -- Some school districts, agencies, and day care centers require that criminal record checks be conducted prior to accepting students for placement in field experiences. Students will be assessed for the cost of this record check. Changes range from approximately \$5.00 - \$40.00 (subject to change) as part of enrollment in a course or by a charge on their student bills.**

**CIFLD 160 INTRODUCTION TO TEACHING MUSIC ... Required of music education students. Investigation of philosophical and psychological principles basic to the teaching of music, development of skills in planning and assessing music learning, and exploration of music's role in the school and in the community. Includes regular laboratory experience.**
