Section III - College of Business and Economics

THE FOLLOWING REQUIREMENTS APPLY TO STUDENTS ENROLLED IN THE BBA CURRICULUM:

Students in the BBA curriculum and all MCS majors are not eligible to enroll in the College of Business and Economics 300 and 400 level courses (except Accounting 341 and 342) unless they have 60.0 or more credits to degree, at least a 2.50 cum GPA and have been admitted to a College of Business and Economics major. Transfer students must maintain a combined GPA (transfer and UW-W) of 2.50 to continue eligibility. S/NC grading may not be used in any business course or any BBA degree requirement unless offered on an S/NC basis only. Courses in the College of Business and Economics may not be taken on an audit basis.

A course cannot be used to satisfy both a BBA degree and a major requirement. Students pursuing a Bachelor of Business Administration degree and all MCS majors must achieve 24 credits and maintain a 2.50 GPA or better in order to take lower division business courses (including MCS courses) except Concepts of American Business ITBE 141, ITBE 200, ECON 201 and ECON 202. Grades received for all appropriate college courses taken at other institutions will be included in determining the student's grade point average eligibility for enrolling in business courses.

When a student is projected to complete at least 54 credits and has satisfactorily completed or is enrolled in ENGLISH 101, ENGLISH 102, SPEECH 110, ACCOUNT 244, ACCOUNT 249, or ACCOUNT 341/342; ECON 201; ECON 202; MATH 143; ECON 245 and has passed the Computer Applications Test, the student may apply for admission to a College of Business and Economics major. All students with at least a 2.80 combined GPA will be admitted to a business major. Application forms for admission to the business major are completed at a Pre-Business registration information meeting.

Enrollment preference in all business courses will be given to the following officially declared majors and minors:

All BBA Majors; Management Computer Systems Majors; Business Education Majors; Public Policy & Administration Majors; Occupational Safety Majors; Public Administration Minors; Business Minors; Individually Designed Majors and Minors; Arts Management Minors; Integrated Science and Business.

Business minors and non-business minors required to take business courses must have at least a 2.00 gpa and 24 credits completed to enroll in lower division (200-level) business courses required in the minor and must have a 2.00 gpa and 60 credits completed to enroll in upper division (300 or 400-level) business courses. In order to graduate with a business minor, the student must have a 2.25 gpa in the minor.

Non-business majors who are required or who may elect to take business courses in the major must have the gpa required in the major, must have completed 24 credits to take lower division (200-level) business courses, and must have completed 60 credits to take upper division (300 and 400-level) business courses.

Non-business majors who are not required to take business courses in the major may register for business courses during the first week of classes if all course prerequisites and credits completed (24 for lower division or 60 for upper division) are met, and the student has a 2.50 combined grade point average.

SPECIAL STUDENTS:

Students admitted with full/complete credentials of all previous post-secondary work (SPFC) and special students without full credentials (SPNC) can register on a space available basis with the approval of the Assistant Dean, Carlson 4035, (262) 472-4900.

COMMON EXAMINATIONS:

Certain courses have common exams during the semester when all sections will be tested at the same time. Students should not schedule other classes at those times.

GRADUATE STUDENTS:

Graduate students must be admitted to the M.B.A. or M.P.A. or M.S. CIS program to enroll in 500-700 level courses offered in the College of Business and Economics (except Business Education and School Business Management). Non-Candidate for Degree students cannot register for College of Business and Economics courses. Exceptions to this policy must be approved in advance by the Associate Dean, College of Business and Economics (262-472-1945).

The charge for on-line (web) graduate business credits is \$550 per credit for resident and non-resident students. Resident students who started their MBA before Spring 2002 and have not been inactive will continue paying the current UW-Whitewater resident graduate business tuition rate as set by the UW Board of Regents. Resident students who started their MBA in Spring 2002 or later will pay \$550 per credit for on-line (web) graduate credits. Non-resident students will pay \$550 per credit.

WOMENST 464 WOMEN IN INTERNATIONAL RELATIONS ... This course is designed to provide students with the opportunity to study and analyze international relations from a multi-disciplinary perspective. It will examine current understandings of the causes, processes and structures of international relations, violent conflict, as well as resolution of those conflicts and peace within the context of Feminist theories. The goal is to examine the role of women in international relations, international security, conflict and peace through different approaches to the study of conflict and how it is understood. The course will consider both the strength and limitations of various disciplinary approaches.

The traditional approaches to international relations, international security, international conflict and peace reflect viewpoints consistent with masculine perspectives on power and security. The goal is to consider how the limitations of the approaches can be effectively challenged and what alternatives might be offered. Themes for discussion will include gender, race, ethnicity, nationalism, state, community, conflict and peace.
