All students with at least a 2.80 combined GPA will be admitted to a business major. Application forms for admission to the business major are completed at a Pre-Business registration information meeting.

Enrollment preference in all business courses will be given to the following officially declared majors and minors:

All BBA Majors; Management Computer Systems Majors; Business Education Majors; Public Policy & Administration Majors; Occupational Safety Majors; Public Administration Minors; Business Minors; Individually Designed Majors and Minors; Arts Management Minors; Integrated Science and Business.

In order to graduate with a business minor, the student must have a 2.25 gpa in the minor.

Non-business majors who are required or who may elect to take business courses in the major must have the gpa required in the major, must have completed 24 credits to take lower division (200-level) business courses, and must have completed 60 credits to take upper division (300 and 400-level) business courses.

Non-business majors who are not required to take business courses in the major may register for business courses during the first week of classes if all course prerequisites and credits completed (24 for lower division or 60 for upper division) are met, and the student has a 2.50 combined grade point average.

SPECIAL STUDENTS:

Students admitted with full/complete credentials of all previous post-secondary work (SPFC) and special students without full credentials (SPNC) can register on a space available basis with the approval of the Assistant Dean, Carlson 4035, (262) 472-4900.

COMMON EXAMINATIONS:
