

EXAMINATION SCHEDULE

FALL TERM 2008

All instructional staff are expected to meet with their on-campus and off-campus classes at the times scheduled for the final examination period. The final examination period may be used to administer course examination or as a regular period of instruction. Exception to meeting classes during the examination period requires specific written approval in advance from the college dean.

Courses meeting four or five periods a week, i.e. MTWRF at 7:45 or a combination of the MWF vs TR, pattern may use either the MWF or TR period for the exam, whichever is most convenient for all concerned. Examinations in off-campus evening classes are scheduled for the regular class meeting time that falls during the examination week that begins Thursday, December 11.

FINAL EXAMINATION POLICY

All comprehensive final examinations shall be administered at the prescribed time during the final examination period. For those classes where there is no final examination, the time prescribed during the final examination period shall be used as a regular class meeting.

No student shall be required to take more than two comprehensive final examinations on the same day. Any student with more than two comprehensive final examinations scheduled on the same day who wants to reschedule the excessive examination(s) will try to make arrangements with the instructors involved. If this is unworkable, the student must notify the Registrar by Friday, October 24. The Registrar shall arrange times as necessary with instructors involved and shall notify the student of the arrangements by Monday, December 1.

This policy covers only comprehensive final examinations given during the final examination period.
