

How Do I? Change My Address

Home Address

"Home" address is defined as your permanent address (e.g., many undergraduate students list the postal address of their parents). Students should contact the Registrar's Office (Roseman 2032 or registrar@uww.edu) for "Home" address changes.

Hall Address

"Hall" address is intended only for those students residing in a UW-Whitewater residence hall. The Office of Residence Life (Goodhue 200) maintains and updates hall addresses.
