

How do I? View Class Rosters

Version 9.0

1. Click on Curriculum Management
2. Click on Class Roster
3. Click on Class Roster
4. Enter the appropriate Term
5. Enter the Subject Area for the Class
6. Click on Search .
7. Click on the appropriate link from the search results.

Additional Information

 There is a **download option** located at the top of the class roster that you can use to download the class roster in to excel.

Students that have dropped/withdrawn from the course (with a W grade) will appear on the Class Roster with (Withdrawn) after their name.
