

How do I? View a Students Degree

Version 9.0

- 1. Click on Records and Enrollment**
- 2. Click on Graduation**
- 3. Click on Student Degrees**
- 4. Enter the Students ID number**
- 5. Click .**
- 6. Use the scroll bar  as necessary to view multiple rows.**
- 7. Click on the Degree Honors tab to view any honors received.**
- 8. Click on the Degree Plan tab to view the students major/minor.**
- 9. Click on the Degree Sub-Plan tab to view the student's emphasis area.**
The page will only contain data if the students major required an emphasis.

Additional Information

Second Major and Minors received after the first degree appear as transcript text at the end of the semester received.

Undergraduate Certificates appear as transcript text at the end of the semester received. If the student received a degree at the same time the transcript text will appear with the degree information.
