

Veterans Office Mission Statement

Our role is to serve the educational and training needs of prospective and/or enrolled service members, veterans, their dependents or survivors, and other persons eligible to received education benefits under the various Department of Veterans (DVA) programs and the State of Wisconsin Department of Veterans Affairs (WDVA) programs. The Veterans Coordinator provides benefit and education counseling, program information, referral to various agencies, and certifies eligible students to receive education benefits under various state and federal programs while maintaining a congenial working relationship with the Veterans Administrations and other agencies serving veterans.
