MATERIAL SAFETY DATA SHEET
THE TESTOR CORPORATION
620 BUCKBEE STREET
ROCKFORD, ILLINOIS 61104

Telephone number: (815) 962-6654 (M-F 8:00 AM - 4:30 PM CDT)
24 hour Chemtrec telephone number:* (800) 424-9300
*TO BE USED ONLY IN THE EVENT OF CHEMICAL EMERGENCIES INVOLVING
A SPILL, LEAK, FIRE, EXPOSURE, OR ACCIDENT INVOLVING CHEMICALS.

Date prepared: 5/19/92

This MSDS complies with OSHA 29 CFR 1910.1200 (The Hazard Communication Standard)
*****************************************************************************
SECTION I - PRODUCT IDENTIFICATION

PRODUCT IDENTITY (TRADE NAME): #1103 Gloss Red Oil Base Brushing Enamel
1/4 oz. Bottles.

SECTION II - HAZARDOUS INGREDIENTS

SECTION III - PHYSICAL/CHEMICAL CHARACTERISTICS

BOILING RANGE: 246 to 370 deg.F
GALLON WEIGHT OF PRODUCT (Lbs/Gal): 7.52
PERCENT VOLATILES (By Volume): 60.3

SPECIFIC GRAVITY (Water=1): .903
VAPOR PRESSURE: 9.5 mm Hg @ 20 deg.C (calc.)
VAPOR DENSITY: Heavier than air.
EVAPORATION RATE: Slower than Ethyl Ether.

SECTION IV - FIRE & EXPLOSION HAZARD DATA

FLASH POINT (SFCC): 62 deg.F
OSHA FLAMMABILITY CLASSIFICATION: Flammable Liquid - CLASS IB
FLAMMABLE LIMITS (calc.) IN AIR: LEL 1.0, UEL 7.0
EXTINGUISHING MEDIA: Alcohol resistant foam, carbon dioxide, or dry chemical.
SPECIAL FIRE FIGHTING PROCEDURES: Caution: Flammable. A stream of water could
spread fire. Avoid breathing vapors. Keep personnel removed from and upwind of
fire. Wear full protective equipment: Eye/Face Shield, Body (Full Bunker Gear),
Respiratory (SCBA).
UNUSUAL FIRE AND EXPLOSION HAZARDS: Cool fire exposed containers with water
spray (fog). Vapors may travel considerable distance to ignition source
and flash back. Product may float and be reignited at water's surface.
Overexposure to decomposition products may cause a health hazard.
MATERIAL SAFETY DATA SHEET
THE TESTOR CORPORATION

ROCKFORD, ILLINOIS 61104

Telephone number: (815) 962-6654 (M-F 8:00 AM - 4:30 PM CDT)
24 hour Chemtrec telephone number: * (800) 424-9300

Date prepared: 5/19/92

Product Identity: #1103 Gloss Red Brushing Enamel

SECTION V - SPILL OR LEAK PROCEDURES

STEPS TO BE TAKEN IF MATERIAL IS RELEASED OR SPILLED: Caution: Flammable.
Contain spilled product by diking. Eliminate all possible ignition sources.
Provide adequate ventilation. Equip emergency responders with appropriate
personal protection equipment. Take up spill with an absorbent material and
place in non-leaking container. Seal container for proper disposal.

WASTE DISPOSAL METHOD:
Do not incinerate closed containers. Dispose of in accordance with local,
state, and federal regulations.

SECTION VI - HEALTH HAZARD DATA

PRIMARY ROUTES OF ENTRY: Inhalation and skin contact.

CARCINOGENICITY: NTP? NO IARC? NO OSHA REGULATED? NO

EFFECTS OF OVEREXPOSURE:
EYE CONTACT: Short term liquid or vapor contact may result in slight eye
irritation. Prolonged and repeated contact may be more irritating.
SKIN CONTACT: Prolonged and repeated liquid contact can cause defatting and
drying of the skin which may result in skin irritation and dermatitis.
BREATHING: Vapors or mist may cause irritation to the throat, mucous membranes
and upper respiratory tract. Inhalation overexposure can lead to central
nervous system depression producing effects such as headaches, nausea,
dizziness and loss of consciousness.
SWALLOWING: May result in vomiting. Aspiration (breathing) of vomitus into
lungs must be avoided as even small quantities in the lungs may result in
chemical pneumonitis and pulmonary edema/hemorrhage.
CHRONIC OVEREXPOSURE: Reports of animal test studies involving prolonged and
repeated inhalation exposures to light hydrocarbon vapors have shown possible
effects to the liver, kidney, and lungs. The relevance of these effects to
man is unknown.

SECTION VII EMERGENCY AND FIRST AID PROCEDURES

EYE CONTACT: Wash immediately with plenty of water for 15 minutes while holding
eye lids open. Call a physician.
SKIN CONTACT: Remove any contaminated clothing and wash skin with soap
and water thoroughly. If irritation persists, get medical attention.
BREATHING: Remove victim to fresh air and provide oxygen if breathing is
difficult. Give artificial respiration if not breathing. Get medical attention.
SWALLOWING: Do not induce vomiting. Call a physician at once. If vomiting
occurs, keep head below hips to prevent aspiration of liquid into lungs.
STABILITY: Stable.

CONDITIONS TO AVOID: Avoid contact with heat, sparks, hot surfaces, open flames, and other ignition sources.

INCOMPATIBILITY (Materials to Avoid): Strong oxidizing agents.

HAZARDOUS DECOMPOSITION PRODUCTS: Carbon monoxide and unidentified organic compounds may be formed during combustion.

HAZARDOUS POLYMERIZATION: Will not occur.

--------- SECTION IX SPECIAL PROTECTION INFORMATION ---------

RESPIRATORY PROTECTION: Avoid prolonged or repeated breathing of vapors, mists and/or dusts. If exposure may or does exceed occupational exposure limits (Section II) use a NIOSH-approved respirator to prevent overexposure. In accord with 29 CFR 1910.134 use either an atmosphere-supplying respirator or an air purifying respirator with appropriate chemical/mechanical filters.

VENTILATION: If the product is used in a confined area, provide sufficient mechanical (general and/or local exhaust) ventilation to maintain exposure below TLV(s). Heavy solvent vapors should be removed from the lower levels of area, and all ignition sources (non-explosion proof equipment) should be eliminated if flammable mixtures will be encountered.

PROTECTIVE GLOVES: Solvent resistant are recommended for prolonged contact.

EYE PROTECTION: Chemical safety splash goggles.

--------- SECTION X SPECIAL PRECAUTIONS ---------

PRECAUTIONS TO BE TAKEN IN HANDLING AND STORAGE: Read all label cautions. Store away from ignition sources in a cool well ventilated area. Handle as flammable liquid. Do not drop container.

This product is packaged and sold as a consumer good. This information is believed to be reliable and accurate, as of the date indicated. It is supplied on the condition that recipients will make their own determination as to its suitability and completeness for their purposes. The Testor Corporation assumes no responsibility for any damages resulting from reliance on this information.
