General Information:
- Clean up spills immediately. Be alert for secondary hazards such as fire, explosion, or toxicity.

Exposure Limits:
- NIOSH/OSHA exposure limit: "Regulated".
- ACGIH TLV: 0.3 ppm Ceiling.

NFPA Ratings:
- Health: 1
- Flammability: 0
- Instability: 0

Section 5 - Fire Fighting Measures
- Use water spray to extinguish small fires. Do not use water; use dry chemicals or foam.
- Use water spray to cool exposed containers, but do not get water in the container.

Section 6 - Spills/Leaks
- Use a dust-suppressing agent to remove spill materials from the surrounding area, then place the spill in an appropriate container. Clean up spills immediately, taking precautions to prevent inhalation of fumes or dust. Ventilate the area, and provide adequate ventilation to keep airborne concentrations low.

Section 7 - Handling and Storage
- Wash hands before eating. Avoid contact with eyes. Keep away from food, drink, and cosmetics.
- Store in a cool, dry place. Do not store with incompatible materials.

Section 8 - Exposure Controls, Personal Protection
- Users of this material should wear appropriate protective clothing and equipment, including but not limited to: protective clothing, gloves, and eye protection.

Section 9 - Other Hazards
- May cause eye irritation. May cause respiratory tract irritation. May cause allergic respiratory reaction. May cause respiratory tract irritation. May cause allergic respiratory reaction. May cause allergic contact dermatitis.

Section 10 - Initial Isolation and Protective Action Levels
- For Immediate Release: 0.75 ppm TWA; 2 ppm STEL.
- For Prolonged Exposure: 2 ppm TWA; 4 ppm STEL.

Section 11 - Other Safety and Health Information
- Do not breathe dust or fumes. Avoid contact with eyes and skin. Use respiratory protection if necessary. Wash hands thoroughly after handling.

Section 12 - Disposal Considerations
- The material must be disposed of according to applicable environmental regulations.
the California Safe Drinking Water Act.

WARNING: This product contains Formaldehyde, a chemical known to the state of California to cause cancer.
