Material Safety Data Sheet

Trade Name: CITGO SUPERGARD, SAE 5W-30
Commodity Code: 20-805
Synonyms: Mixture
CAS No.: Date: July 15, 1991
(Refer to Section 1) Technical Contact: (918) 495-5933
Citgo Index No.: 0999 Medical Emergency: (318) 491-6215
Chemtree Emergency: (800) 424-9300

Material Hazard Evaluation
(Per OS11A Hazard Communication

Health: Final Product Non-Hazardous.

Precautionary Statement: Avoid prolonged skin contact with used motor oils. Do not inhale mists or fumes.

HMIS Rating¹: Health 0 Flammability 1 Reactivity 0

1.0 Generic Composition / Components

Components CAS # % Hazard Data
Refined Petroleum Distillates 64741-88-4 > 75 Oral LD50(rat): > 5g/kg

4.0 Reactivity Data

- Stability: Stable.
- Conditions Contributing to Instability: None.
- Incompatibility: Strong oxidants, strong acids, caustics.
- Hazardous Decomposition Products: CO₂, (CO under incomplete combustion), Traces of oxides of Ca, Mg, P, S, Zn.
- Conditions Contributing to Hazardous Polymerization: None.

2 Hazard Rating: least-0; slight-1; moderate-2; high-3; extreme-4
CSCO assignment based on our evaluation per NFPA guidelines.

NA - Not Applicable  ND - No Data  NE - Not Established
5.0 Spill or Leak Procedures

Procedures if Material is Spilled:
- Remove sources of heat or ignition.
- Provide adequate ventilation.
- **Small Spills**: Take up with noncombustible absorbant such as fullers earth or sand. Place into containers for later disposal.
- **Large Spills**: Contain spill in earthen dikes for later recovery. Control ignition sources around spill area. Report spills as required to appropriate authorities.

Waste Disposal:
- It is the responsibility of the user to determine if the material is a hazardous waste at the time of disposal.
- Check before disposing to be sure you are in compliance with all applicable laws and regulations.
- Treat used oil according to current rules and regulations.
- Chemtrec/RCRA Emergency Hotline Number: 800-424-9346.

Protective Measures During Repair and Maintenance of Contaminated Equipment:
- Refer to Section VII - Special Protection Information.
- Wash exposed skin thoroughly with soap and water.
- Remove soiled clothing.
- Use polymer gloves if extended, direct contact is expected.
- Avoid prolonged contact with used oil.

6.0 Health Hazard Data

**Health Hazard Classification**
(Per 29 CFR Part 1910.1200)

| No | Carcinogen | No | Corrosive |
| No | Animal Carcinogen | No | Irritant |
| No | Suspect Carcinogen | No | Sensitizer |
| No | Mutagen | No | Teratogen |
| No | Highly Toxic | No | Target Organ |
| No | Toxic |

Product listed as Carcinogen or Potential Carcinogen by:
- NTP _No_  IARC _No_  OSHA _No_  Other _No_

Toxicity Summary: Practically non-toxic.

Major Route(s) of Entry: Inhalation of incidental mists or vapors.
Acute Exposure Symptoms

Inhalation: Low risk at ambient temperatures. Mists or fumes may cause dizziness, headache, nausea, respiratory irritation, or chemical pneumonitis.

Dermal Contact: Transient, slight irritation.

Eye Contact: Practically non-irritant.

Ingestion: Low toxicity. At a Saybolt viscosity of 330 SUS (100°F), the risk of aspiration into the lungs is reduced. If less than one ounce is ingested, material may pass through the system without harm. On ingestion of large quantities slight GI discomfort, diarrhea, and headache may occur.

Injection: Subcutaneous or intramuscular injection may cause irritation, erythema, edema.

Chronic Exposure

Dermal, prolonged and repeated exposure may cause drying of the skin.

Other Special Effects

None.

Medical Conditions Aggravated by Exposure

None.

First Aid and Emergency Procedures for Acute Effect

Inhalation: Remove from exposure to incidental fumes and provide respiratory support if necessary.

Dermal: Wash with soap and water.

Eyes: Flush with large volumes of water.

Ingestion: Induce vomiting and seek medical aid.

Injection: Seek medical aid.

Notes to Physician: Following ingestion, at a Saybolt viscosity of 330 at 100°F, the risk of aspiration into the lungs is reduced. For quantities above 1 oz., emesis or lavage may be considered. Subcutaneous injection requires prompt surgical debridement. If not familiar with technique, seek skilled advice.
7.0 Special Protection Information

Ventilation Requirements: Use in well ventilated area. In confined spaces, mechanical ventilation may be required to keep levels of certain components below mandated standards. Responsible individuals should evaluate air concentrations of specific regulated chemicals.

Permitted Threshold Air Concentrations:

<table>
<thead>
<tr>
<th>Substance</th>
<th>TLV-TWA</th>
<th>OSIIA-PEL</th>
<th>TLV-STEL</th>
<th>OSIIA-STEL</th>
<th>TLV-Ceiling</th>
<th>OSIIA-Ceiling</th>
<th>OSIIA-Peak</th>

<td>5 mg/m³</td>
<td>5 mg/m³</td>
<td>OSIIA-PEL</td>
<td>ND</td>
<td>ND</td>
<td>ND</td>
<td>ND</td>
<td>ND</td>
</tr>
</tbody>
</table>

Specific Personal Protective Equipment:

Respiratory: If high vapor concentration is expected, use respirator approved for organic vapors.

Eyes: Safety goggles, or chemical splash goggles if splashing is anticipated.

Dermal: Oil impervious gloves if frequent or prolonged contact is expected.

Other Clothing or Equipment: Wear body-covering work clothes to avoid prolonged or repeated exposure. Launder soiled work clothes before reuse.

8.0 Transportation and Special Precautions

Storage: Keep container tightly closed and away from heat and flame.

Caution: Avoid prolonged skin contact with used motor oils. Continuous contact with used oil has caused skin cancer in laboratory animals. After draining oil, wash skin thoroughly with soap and water. Empty containers may contain product residue which could include flammable or explosive vapors.

Consult appropriate Federal, State and Local authorities before reusing, reconditioning, reclaiming, recycling or disposing of empty containers and/or waste residues of this product.

**DOT Information**

- Proper Shipping Name: Petroleum Lubrication Oil
- Hazard Class: Non-Hazardous
- Hazard Identification Number: None assigned
- Placard: None
- Compatibility Category: Group 33
- CHRIS Code: OLB
