Material Safety Data Sheet
Dixon Ultra or Universal Correction Fluids

1. Chemical Product and Company Identification

Company Identification: Dixon Ticonderoga Company
155 International Parkway
Hudson, FL 32746-5036
Telephone: 800-824-9430

Product Name: Dixon Ultra or Universal Correction Fluids
Product Code(s): 31400, 31910, 31911

Date Prepared: May 7, 2003
Last Revised: November 13, 2002
Emergency Call: 800-824-9430

2. Composition/Information on Ingredients

<table>

3. Hazards Identification

Emergency Overview: CAUTION! Product Vapors are Flammable
Packaging may be subject to ignition by fire and may release toxic or other irritating gases. Vapors are heavier than air and may travel some distance to the ignition source.

4. First Aid Measures

Eye Contact: Flush eyes with large amounts of water for at least fifteen minutes. Contact physician
Skin Contact: Wash skin with soap and water. Seek medical attention in the event that irritation occurs.
Ingestion: Seek medical attention; DO NOT INDUCE VOMITING
Inhalation: If asymptomatic, move to fresh air and seek medical attention.

5. Fire Fighting Measures

Extinguishing Media: Carbon dioxide, dry chemical or foam recommended. Apply water to cool exposed closed containers.
Special Fire Fighting Procedures: Self-contained breathing apparatus (SCBA) and full protective equipment recommended.
Unusual Fire and Explosion Hazards: Packaging may be subject to ignition by fire and may release toxic gases.
Handle like a petroleum solvent.
Vapors are heavier than air and may travel some distance to the ignition source.

6. Accidental Release Measures

Small Spill: Clean up with absorbent towels. Scrape and sweep up any hardened residue.
Large Spill: Place in appropriate containers for disposal. Keep away from ignition sources.

7. Handling and Storage

Handling: Containers will stain. The use of smocks and gloves to protect personal clothing is suggested.
Wash hands and surface after use.
Storing: Do not store near heat or open flame. Product is flammable.

Continued on next page.
8. Exposure Controls/Personal Protection

Engineering Controls: The use of local ventilation is recommended.
Personal Protection: No special skin protection required. Wash skin if irritation is experienced. Eye protection is recommended.

9. Physical and Chemical Properties

<tr>
<td>Vapor Pressure (mmHg)</td>
<td>185 F at 99 mm Hg</td>
</tr>
</tbody>
</table>

10. Stability and Reactivity

General: This product is stable and hazardous polymerization will not occur. Avoid heat and flame.
Incompatibility: Avoid strong oxidizing agents.
Hazardous decomposition: When with all burning organic matter, carbon monoxide and other toxic fumes may be released.

11. Toxicological Information

Acute/Chronic Toxicity: Dermatitis may occur with prolonged contact.
Carcinogenicity: No existing lung disorders may be aggravated by over exposure to vapors.
Mutagenicity: None reported.

12. Ecological Information

This product has not been evaluated for overall environmental effects.

13. Disposal Considerations

Contain in place in approved container. Dispose of per Local, State, and Federal regulations.

14. Transportation Information (Not applicable unless shipped by drums)

<table>
