### Notes

- **Ingredient subject to the reporting requirements of the Superfund Amendments and Reauthorization Act (SARA) Section 313, 40 CFR 372.65 C**
- **Pursuant to Proposition 65:** These products contain Toluene which is known by the state of California to cause reproductive toxicity.

---

**Section V — HEALTH HAZARD DATA**

**ROUTE OF EXPOSURE**
Exposure may be by INHALEION and/or SKIN or EYE contact, depending on conditions of use. To minimize exposure, follow recommendations for proper use, ventilation, and personal protective equipment.

**ACUTE HAZARDS**
Irritation of eyes, skin and respiratory system. May cause nervous system depression.
Can cause unconsciousness and possibly death.
Extremes of oversupply may result in unconsciousness and possibly death.

**SIGNS AND SYMPTOMS OF OVEREXPOSURE**
Irritation of eyes, skin and respiratory system. May cause nervous system depression.

**MEDICAL CONDITIONS AGGRAVATED BY EXPOSURE**
None generally recognized.

**EMERGENCY AND FIRST AID PROCEDURES**
If INHALED: If affected, remove from exposure. Restore breathing. Keep warm and quiet.
If on SKIN: Wash affected area thoroughly with soap and water.
Remove contaminated clothing and laundry before re-use.
If in EYES: Flush eyes with large amounts of water for 15 minutes. Get medical attention.

**CHRONIC HEALTH HAZARDS**
No ingredient in this product is an HRAC, NTP or OSHA listed carcinogen.
Methyl Ethyl Ketone may increase the nervous system effects of other solvents.
Bats exposed to titanium dioxide dust at 250 mg/m³ developed lung cancer, however, such exposure levels are not attainable in the workplace.
Reports have associated repeated and prolonged overexposure to solvents with permanent brain and nervous system damage.

**Section VI — REACTIVITY DATA**

**STABILITY — Stable**

**INCOMPATIBILITY**
None known.

**HAZARDOUS DECOMPOSITION PRODUCTS**
By fire: Carbon Dioxide, Carbon Monoxide, Oxides of Metals in Section II

**HAZARDOUS POLYMERIZATION** — Will Not Occur

**Section VII — SPILL OR LEAK PROCEDURES**

**STEPS TO BE TAKEN IN CASE MATERIAL IS RELEASED OR SPILLED**
Remove all sources of ignition. Ventilate and remove with inert absorbent.

**WASTE DISPOSAL METHOD**
Waste from this product may be hazardous as defined under the Resource Conservation and Recovery Act (RCRA) 40 CFR 261. Waste must be tested for ignitability to determine the applicable EPA hazardous waste numbers. Waste from products containing Methyl Ethyl Ketone or may require testing for extractability. 
Do not incinerate. Depressurize container. Dispose of in accordance with Federal, State, and Local regulations regarding pollution.

**Section VIII — PROTECTION INFORMATION**

**PRECAUTIONS TO BE TAKEN IN USE**
Use only with adequate ventilation. Avoid breathing vapor and spray mist. Avoid contact with skin and eyes. Wash hands after using.

**RESPIRATORY PROTECTION**
If personal exposure cannot be controlled below applicable limits by ventilation, wear a properly fitted organic vapor/particulate respirator approved by NIOSH/MSHA for protection against materials in Section II.

**VENTILATION**
Local exhaust preferable. General exhaust acceptable if the exposure to materials in Section II is maintained below applicable exposure limits. Refer to OSHA Standards 1910.94, 1910.107, 1910.108.

**EYE PROTECTION**
Wear safety spectacles with unperturbed side shields.

**Section IX — PRECAUTIONS**

**DGL STORAGE CATEGORY — 1A**

**PRECAUTIONS TO BE TAKEN IN HANDLING AND STORING**
Keep away from heat, sparks, and open flames. Vapors will accumulate readily and may ignite explosively.
During use and until all vapors are gone keep area ventilated - Do not smoke.
Extinguish all flames, pilot lights, and heaters - Turn off stoves, electric tools and appliances, and any other sources of ignition.
Consult NFPA Code. Use approved Bonding and Grounding procedures.

**OTHER PRECAUTIONS**
Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.

The above information pertains to this product as currently formulated, and is based on the information available at this time. Addition of reducers or other additives to this product may substantially alter the composition and hazards of the product. Since conditions of use are outside our control, we make no warranties, express or implied, and assume no liability in connection with any use of this information.
