**STATEMENT OF HAZARDS (TVS - not listed):**

- **Carcinogenic:** No
- **Mutagenic:** No
- **Reproductive Toxicity:** No
- **Ecotoxicity:** No

---

**SECTION III - PHYSICAL/CHEMICAL CHARACTERISTICS**

- **Boiling Point:** Not applicable
- **Melt Point:** Not applicable
- **Density (g/mL):** 0.3
- **Water Solubility:** Insoluble

---

**SECTION IV - FIRE AND EXPLOSION HAZARD DATA**

- **Flash Point (closed 100 deg C):** Not applicable
- **Flammable Limit:** Not applicable

---

**SECTION V - REACTIVITY DATA**

- **Stability:** Moderately
- **Conditions to Avoid:** Abnormally high temperature.

---

**SECTION VI - HEALTH HAZARD DATA**

- **Health Hazard:** Inhalation:
  - **Route of Exposure:** Inhalation
  - **Health Hazard:** Immediate dizziness, headache, and possible nausea.
  - **Health Hazard:** Skin:
  - **Route of Exposure:** Contact
  - **Health Hazard:** Immediate redness and rash.

---

**SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE**

- **Safe Handling and Storage:**
  - **Precautions:** Keep container tightly closed. Store in a cool, dry place.

---

**SECTION VIII - CONTROL MEASURES**

- **Ventilation:** Local exhaust. Use explosion-proof equipment.
- **Personal Protective Equipment:** Use protective clothing.
- **Other Precautions:** Use explosion-proof equipment.
