SONOCO Material Safety Data Sheet
Product Name: PUREX... DETERGENT

Manufacturer: THE DIAL CORPORATION
Address: 111 WEST CLARENDON AVENUE
PHOENIX, AZ 85077
Attachment: Mfg MSDS

General Use: Laundry detergent
Typical Use: Laundry detergent
Application: Add to machine during wash cycle
Do Not Mix With:
Storage: Normal household storage. Store away from moisture to prevent caking
Empty Container Disposal: Normal dry disposal
Spill Cleanup: Sweep or vacuum and place in clean, dry containers for reclamation. Do not

SECTION II HAZARDOUS INGREDIENTS AND IDENTITY
Hazardous ingredients:
- Sodium Carbonate (497-19-8)
- Sodium Chloride (7647-14-5)
- Sodium Dodecylbenzenesulfonate (82062-33-5)
- Sodium Silicate (1344-09-8)

SECTION III PHYSICAL AND CHEMICAL CHARACTERISTICS

Boiling Point: N.A.

Specific Gravity:

Percent Volatile:
Water Solubility:
Appearance: Colored or white granular material with mild odor

SECTION IV FLAMMABILITY AND REACTIVITY

Flash Point: N.A.
Lower Explosive Limit: N.A.
Upper Explosive Limit: N.A.

Extinguishing Agents: Dry chemical, CO2, water spray or foam

Special Firefighting Proc: Move container if possible. Do not scatter with high pressure streams.

Unusual Fire Hazards: Contact with easily oxidizable material may increase burn rate. See

Material Incompatibility: Strong oxidizers, reducing agents, strong acids, metals

Hazardous Polymerization: Not reported to occur under normal conditions

Hazardous Decomposition: Oxides of sulfur, carbon, hydrogen sulfide

Type Conditions to Avoid: Contact with incompatible materials.

SECTION V HEALTH & SAFETY INFORMATION

Potential Danger

Inhalation: Corrosive damage to mucous membrane
Skin Contact: Prolonged contact: dermatitis, sever
Eye Contact: Severe irritation, redness, blurred
Ingestion: Corrosion of mouth, throat, stomach,

CARCINOGENICITY: None
IARCMONOGRAPH: None
OSHA_REG: None

SARA_TITLE3:

SPILL DISPOSAL: Sweep or vacuum and place in clean, dry containers for reclamation. Do not flush large

SECTION VII SPECIAL PROTECTIVE PROCEDURES

Ventilation: Local exhaust or general dilution ventilation
Respiratory Protection: See Mfg MSDS to complete information.
Hand Protection: Gloves when prolonged contact may occur
Eye Protection: Not generally required for normal occupational conditions.
Other Protection: None recommended

Storage Precautions: Normal household storage. Keep away from incompatibles.
