MATERIAL SAFETY DATA SHEET

MATERIAL
Tape & Tuffner Remover Aerosol

DATE ISSUED
04/18/05 – Rev 02

DOT HAZARD CLASSIFICATION
Consumer Commodity ORM-D

DOT SHIPPING NAME

CAS NO.
SUPERCEDES
01/02/2002

DOT LABEL
Caron must be marked ORM-D

FORMULA Proprietary
CHEMICAL NAME Mixture

* NOTE: This chemical is subject to the reporting requirements of section 313 of the Emergency Planning and Community Right-To-Know Act of 1986 and 40CFR 372.

II PHYSICAL AND CHEMICAL PROPERTIES

Boiling Point: -7.1 to over 231°F
Pressure in a can at 70°F: Approx. 25 psig
Vapor Density (Air=1): Greater than 1.0
Solubility in water: Negligible
Specific Gravity (Water = 1) Less than 1.0
Percent Volatile by weight Approx. 100%
Evaporation Rate (BuAce = 1) Greater than 1
Appearance and Odor Cloudy liquid, with solvent odor

III FIRE AND EXPLOSION INFORMATION

Flammability Category: Extremely Flammable (Reference – Consumer Product Commission, Flame projection test for aerosol Products, per 16 CFR 1500.45
Flash Point: -156°F (for aerosol propellant)
Flammable Limits: Estimated LEL% 1.9  UEL% 9.5
Extinguishing Media: Foam, Dry Chemical, Carbon Dioxide
Unusual Fire and Explosion Hazards: Avoid possible bursting of aerosol can. Do not store where temperature may exceed 120° Do not puncture or Incinerate.
Special Fire Fighting Procedures: AVOID possible accumulations of vapors at floor level, as vapor is heavier than air. Self-contained breathing apparatus and protective clothing should be worn in fighting fires involving chemicals.

***************************** IV HEALTH EFFECTS INFORMATION*****************************

Suggested Exposure Guideline: 100 ppm
Primary Route of Exposure: Inhalation, Skin, Contact
Inhalation: Dizziness, nausea, headaches, and loss of consciousness.
Skin Contact: Irritation upon prolonged contact. Defatting of skin possible with prolonged contact.
Eye Contact: Irritation
Carcinogenicity: None of the components in this material are listed by IARC, NTP, OSHA, or ACGIH as a carcinogen or potential carcinogen.

***************************** V - REACTIVITY INFORMATION *****************************

Stability: Stable
Conditions to Avoid: Heat, Sparks, flames, strong oxidizers
Hazardous Polymerizations: Will not occur
Hazardous Decomposition Products: Carbon Dioxide, Carbon Monoxide, and toxic gases possible if thermally decomposed.

***************************** VI - SPILL AND DISPOSAL INFORMATION *****************************

Steps to be taken in case Material is released or spilled: Ventilate area well. Avoid any sources of ignition for flammable liquid or vapor. Soak up on suitable absorbent material.
Waste disposal method: Conventional solvent waste receptacle. Dispose of in accordance with all local State and federal regulations. Avoid contamination of groundwater.

***************************** VII - PERSONAL PROTECTION INFORMATION *****************************

Respiration Protection: If TLV is exceeded wear NIOSH-approved self-contained breathing apparatus.
Ventilation: Must be adequate to maintain vapors at less than 100ppm, particularly at floor level as vapors are heavier than air.
Protective Gloves: None needed for normal use. Neoprene, Polyvinyl Alcohol recommended if prolonged exposure expected.
Eye Protection: Safety glasses or goggles recommended.
First Aid: Inhalation: Remove to fresh air. Artificial respiration, consult physician. Skin Contact: Wash with soap and water. Remove soaked clothing to avoid prolonged skin contact. Eye Contact: Flush eyes well with running water for 15 minutes. Ingestion: Get immediate attention. Consult Poison Control Center. Treatment is dependent on condition of victim.
VIII - STORAGE AND HANDLING

Precautions to be taken in handling and storage: Do not store where temperature may exceed 120° F. Store away from fire, spark, or flame.

D.O.T. Shipping Classification: Consumer Commodity ORM-D

Hazard Class: ORM-D

ID Number: None

Label Required: None, carton must be marked with ORM-D

Special Precautions: Do not use near heat, fire, flame, or sparks. Avoid excessive breathing of vapor. Use only in accordance with directions.
