500 Rider Limit!

This ride was great for the family. It was a length that the kids could participate in while being challenging

M. S., Whitewater, WI

Challenging but relaxing.

Beautiful scenery at your own pace, and I will be back next year

L. B., Fox River Grove, IL

The tailgate party afterward was awesome. Excellent choice of routes, very scenic. I'm looking forward to next year's ride.

E. T., Edgerton, WI
