MEMORANDUM

RE: Parking at the Horizons School Matinee Series performances

1. Thank you for transporting students to our Horizons Matinee performance.
2. Please be aware that parking lots on the campus of the University of WI-Whitewater are extremely congested during the fall and spring semesters.
3. **PARKING FOR BUSES** coming to Horizons events at Young Auditorium will be **reserved** in the east portion of (**Arts**) **Lot 1** on the corner of Main Street (Hwy 12) and Prince Street. An attendant will be on duty to assist and direct drivers. Please park your bus *before* you unload the students; that way they will know where to find their bus after the event.
4. If you are dropping students off and returning after the show to pick them up, please pull into **Lot 2** and drop off/ pick up at the curb.
5. All bus traffic should be routed to Main Street (Hwy 12) in Whitewater. Turn north on Prince Street for access to the parking lots.
6. For your convenience, a map should accompany this memo.
