COACHING STAFF

**Head Coach:** Keri Carollo has been head coach for the Warhawks since 2002. Since 2002 Carollo has compiled a record of 207-102 and has the second most wins in UW-Whitewater women’s basketball history. In the last six seasons the Warhawks have won twenty or more games each year and have earned six straight berths into the NCAA Division III national tournament. In 2012-13 UW-W advanced to the National Championship game and took second in the country. In 2007-08 the team set a school record for wins while advancing to the Final Four and finishing third in the nation.

UW-W won the Wisconsin Intercollegiate Athletic Conference title outright in 2013 and 2010 and shared the crown in 2008. Prior to 2008, UW-Whitewater had not won the conference crown since 1986. In the 2009-10 campaign Carollo earned WIAC Coach of the Year honors and in 2007-08 she was named the Wisconsin Basketball Coaches’ Association Coach of the Year.

There have been five different players to earn All-American honors in the history of UW-Whitewater women’s basketball; four have been under the tutelage of Carollo. She has also coached five all-region players and thirteen all-conference players.

**Camp Staff:** UW-Whitewater Head Coach Keri Carollo along with assistant coaches Amy Zelinger and Joe Carollo will provide organization and instruction at all camp sessions with the assistance of Warhawk players and local high school coaches. The camper to coach ratio is approximately 10:1.
The philosophy of our Warhawk Girls Basketball Camps is to provide quality instruction in all phases of the game. Campers will receive individual attention from highly skilled coaches and players. An emphasis will be placed on improving their individual game and instruction will be aimed at improving fundamental skills such as shooting, passing, ball handling, rebounding, individual offense and individual defense.

To maximize the experience, campers will be divided into teams where they will work closely with their teammates and coach. Each player will receive individual attention from their team coach as well as the camp directors. Teams will have limited numbers and all campers will get the opportunity to participate equally.

Our aim is to not only improve the camper’s skill level but to improve their level of enjoyment for the game as well. A series of competitions throughout their stay at camp will increase their determination to succeed as well as their desire to play the game. All of these things are what makes UW-Whitewater Girls Basketball Camps some of the best in Wisconsin.

### Facilities

The Warhawk Basketball Camps are conducted on the beautiful campus of UW-Whitewater. Campers will have use of recreational facilities including the Williams Center and Kachel Fieldhouse. The Williams Center offers four gyms and a weight room. All will be used for instruction and competition. The 60,000 square-foot Kachel Fieldhouse is one of the finest facilities in the country. It features four basketball courts and an indoor running track.

### Commuters

Commuters are campers who elect not to stay overnight in the residence halls. Commuters do not eat breakfast on campus but will be provided with lunch and dinner. Commuters will be able to go to the residence halls between sessions with teammates or friends if they choose.

### Fees and Insurance

The camp fee covers lodging, meals, educational materials and insurance is due in full 10 days before check-in. Each camper will be covered by a limited accident insurance policy. The insurance includes primary coverage up to $7,500 and $300 maximum dental insurance. Insurance does not cover pre-existing injuries and is for accidents only.
