UW-Whitewater 2014-2015 STRING ACADEMY
**About the String Academy**

The String Academy faculty believes learning music via a string instrument is stimulating, rewarding and creative. It requires the use of both hemispheres of the brain, which encourages problem solving and spatial reasoning. More importantly, with hard work, the sense of accomplishment children experience makes them feel positive about learning in general. Most importantly, children will experience and communicate the emotion of music.

**WHO**

**Allegro Strings** - Violin students in pre-K through grade 2.

**Vivace Strings** - Violin, viola, cello or bass students grade 3 -12

*Allegro Strings parents are required to attend lessons.

*Vivace Strings parents are strongly encouraged to attend lessons.

In addition, parents are asked to monitor and supervise home practice sessions.

Once students reach the grade level of the orchestra program at their school, they must also enroll in the school orchestra. If a student is not a member of the school orchestra, she/he will not be allowed to continue in the UWW String Academy.
