JUNIOR TENNIS CAMP
The Warhawk Junior Tennis Camps are known as some of the best tennis camps in the Midwest. They are intended for players between the ages of 12–18. These camps prepare campers for high school and tournament play by focusing on mental toughness and strategy. Each camp is broken into six different levels from intermediate to state ranked tournament players, so there is fun for everyone. Bring a friend or doubles partner to add to the enjoyment.

Registration Opens: Jan. 5th, 2016

COLLEGIATE PREP TENNIS CAMP
Warhawk Tennis Collegiate Prep Camp is designed for players who intend on playing college tennis and who are entering their junior or senior year of high school or are incoming college freshmen. Our camp will prepare campers for college level tennis by focusing on mental toughness, high-level match play along with singles and doubles strategies. Campers also develop an understanding of the recruiting process, differences from junior to college tennis and will receive tips on how to become a successful student-athlete. Throughout the week, campers will be given the experience of college level match-play and will be placed into 6 equal-level teams that will compete against one another through coached matches. Space will be limited to 28 females and 28 males.

ADULT TENNIS CAMP
Warhawk Adult Camp is designed for adults 21 and over with a NTPR rating between 3.0 and 4.5. Emphasis is placed on technique, repetition, strategy, competition, and fun. Evenings will be used for competition and high intensity drills. Night activities will also include social events. The camper to instructor ratio will be 4 to 1 and the camp will be limited to 48 participants. The housing for Adult camps is in our air conditioned, suite styled dorm-Stairn Hall.
