Student Name: _____________________________________________ ID#: ___________________

Last First MI

On the Free Application for Federal Student Aid (FAFSA), you indicated that either you or your parent paid child support during 2015. You have been selected for verification; therefore, the Financial Aid Office must obtain a signed statement verifying the name of the person who paid child support, the name of the person to whom child support was paid, the name of the child(ren) for whom support was paid, and the total annual amount of child support paid in 2015 for each child. Please complete the following worksheet and return it to the Financial Aid Office. **Only list actual dollars paid during the calendar year 2015. If you or your parent did not pay child support in 2015, indicate zero in the amount.**

**You cannot list child support paid for a child that you included in the household on the FAFSA.**

Note: If we have reason to believe that the information regarding the child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree showing the amount of child support to be provided
- A statement from the individual receiving the child support certifying the amount of child support received
- Copies of the child support payment checks or money order receipts

By signing this document, you certify that the information reported is complete and correct. If you purposely give false or misleading information, you may be fined, be sentenced to jail, or both.
