ICIT facilitates the technology purchasing process for campus owned and operated equipment. To place an order for one of the systems below, please email techpurchasing@uww.edu with the following information:

- Who is the machine for
- Your existing machine: Surplus or Reallocate
- The 10 Digit Org Code to bill
- The Order ID number of the new model
- Location of system
- The name of the system being replaced

A specialist will contact you to finalize your order. If none of the models below meet your needs, please send an email to techpurchasing@uww.edu to discuss a customized order.

## Standard Models

Standard Models meet most campus needs. Standard Models account for 80 - 90% of all campus computer orders. Below you will find the most popular models. All Desktops come with a 5 year warranty that includes set-up, configuration, and support.

To find the computer name for PCs:

Double-click on the ZenWorks icon or on the bottom right of your screen. The computer name is in the second line: Listed as “Device Name”

OR

- Right-click My Computer
- Select: Properties
- Select the tab: Security
- The computer name is in the first line:
  - Administrators (Computer Name/Administrators)
  - Example: 3002104-op
