Your **FIRST STEP** for campus assessment and data needs!

Academic Assessment

Who we are...

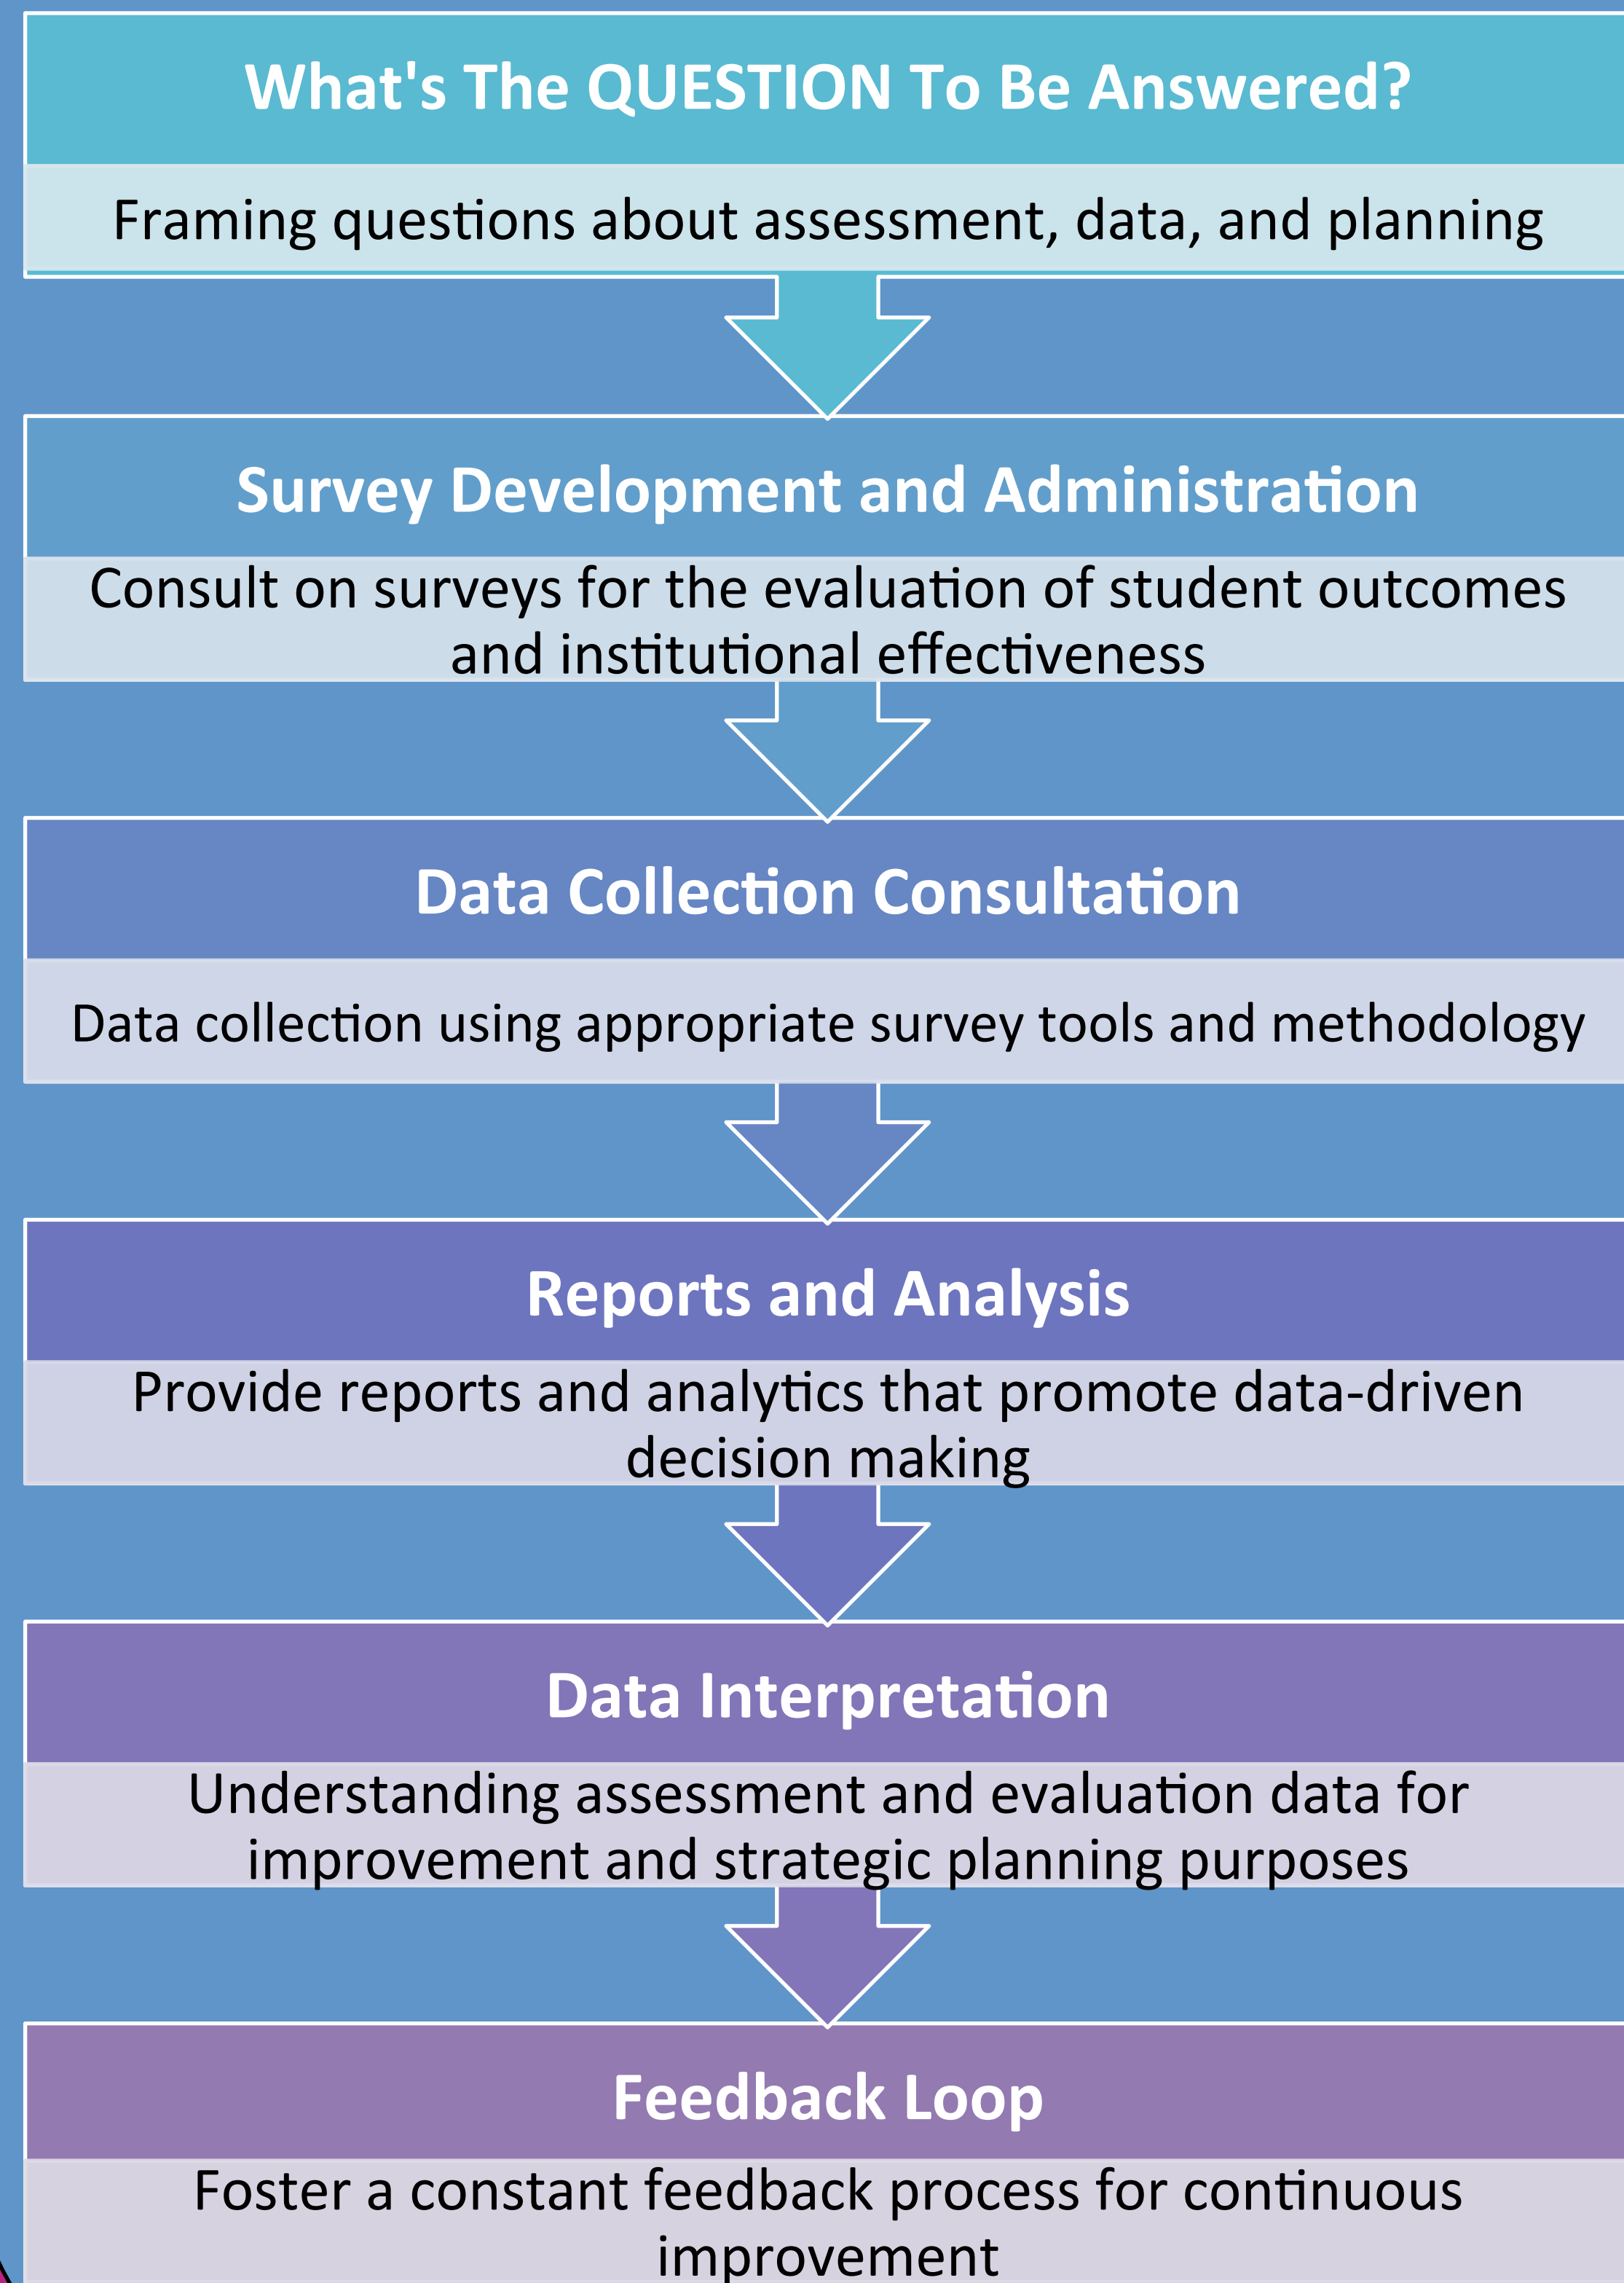

Providing information, guidance and support to facilitate assessment that is meaningful, useful, and efficient with the ultimate goal of continuous improvement of student learning.

How we can help...

- Provide guidance & support for assessment of student learning as programs:
 - ❖ Define learning outcomes, align with LEAP ELOs
 - ❖ Design assessment plans
 - ❖ Develop rubrics, assessment tools
 - ❖ *Close the loop*: Link data with action
- Support recommendations for direction and focus of campus-level assessment
- Promote best practices in assessment
- Support effective and meaningful program evaluation
- Provide opportunities to share assessment data, strategies, processes, and results

Institutional Research and Planning

Who we are...

Providing accurate, meaningful information to support decision making through collection and dissemination of reliable and valid institutional data in a responsive, timely and ethical manner.

How we can help...

- Primary source for University facts and figures; compliance reporting
- Research, data collection, and statistical analysis on questions of interest
- Support for key university-wide committees
- Planning and policy analysis; evidence-based recommendations
- Administer surveys and provide feedback on survey design for the campus community
