

### **College of Arts and Communication Exit Interview questions regarding General Education**

This survey will be given to all UWW graduating students in the College of Arts and Communication as part of the Exit Interview process and assessment within practices within the College. It measures how well *you* believe you fulfill the general education goals of the University. Your responses do not bear on grades or graduation, and your confidentiality is assured.

Using a scale of 1 – 5, please convey your response to the questions that follow with a “5” meaning strongly agree, a “1” meaning strongly disagree. Note that the scantron form uses a scale of A – E. Mark “A” for Strongly Disagree and “E” for Strongly Agree. Please use the scantron sheet provided and a #2 pencil to complete the questionnaire.

**When you complete this survey, turn it in to the Department Office in CA 2073. Thank you!!**

1. I have a broad knowledge of science, mathematics, social sciences, humanities, history, language, and the arts.
2. I can engage in informed, critical thinking in a wide variety of subjects.
