ACADEMIC PROGRAM DEGREE REQUIREMENTS TERM

Students are responsible for meeting all degree requirements in effect at the University of Wisconsin-Whitewater at the time of the declaration of their current major unless they interrupt their attendance at Whitewater by an absence of four or more consecutive academic terms (including Summer School), in which case upon re-entry they will be subject to the requirements in effect at that time.

As students enter the University, a requirement term is assigned to their record. They will be held to that set of degree requirements for graduation unless they change majors. Although the University Catalog is published every two years, requirements will be monitored on a term-by-term basis. New students registering for fall term will be held to the curricular changes approved the preceding term.

The full policy can be found in the Undergraduate Catalog - <http://www.uww.edu/registrar/catalogs/index.html>
