

COLLEGE OF LETTERS AND SCIENCES Sample 4-Year Plan

Bachelor of Arts or Bachelor of Science: ENGLISH—PROFESSIONAL WRITING AND PUBLISHING EMPHASIS (minor required)

This plan illustrates the type of curriculum a new freshman might follow to complete a degree in 4 years; it is not an official document. Refer to your Academic Advising Report (AAR) for full requirements. Sample AARs are available at www.uww.edu/registrar/sample-aars.

Courses in **bold** typeface indicate specific courses that must be completed for the major. Courses in **bold italic** indicate that there are several course options available to fulfill that requirement.

1 st Semester	Units	2 nd Semester	Units

General Degree Notes

You must begin your Math and English sequences with the appropriate course. The English course you start with will be determined by your ACT/SAT score. The Math course you start with will be determined by your UW Math Placement score. Please refer to your Academic Advising Report and adjust this sample 4-year plan accordingly.

All students must complete a minimum of 120 credits including:

- 1) At least 32 units of general education, including specific Gen Ed core courses, as well as approved math and science, physical education, and elective courses. Your general education electives must come from the following categories: GA, GS, GH, GE, or GI.
- 2) All requirements for the BA or BS Degree.
- 3) All requirements for the major and minor (if required).

College of Letters and Sciences BA and BS Degree Notes

For the Bachelor of Arts degree (BA), students must demonstrate that they have achieved basic competency in a foreign language equivalent to one year of study at the college level. Students must also complete two 300/400 level courses outside of the major and minor subjects.

For the Bachelor of Science degree (BS), students must complete two lab sciences and 5 credits of advanced math or two 3 credit courses chosen from advanced math, statistics or computer science.

Major Notes

The Planning Guide begins with the most common placement for this major but students who place lower may need additional math credits.

Courses in bold typeface indicate specific courses that must be completed for the major.
