Kelly and Kristina shared HPERC emphasis in existence as well as a third new proposal

- HHPR Capstone=Practicum chart
- HHPR Capstone=Thesis
- Health Physical Education and Coaching Track Capstone = Portfolio -Form 2 curriculum proposal
Change in sub-major based on HPR 36 credits including emphasis removing midpoint capstone, final capstone, and requiring additional content courses. Final capstone could include action research, integrate research review article for journal or research, poster or presentation at a national conference. Kelly and Kristina agreed to include Department approval as a requirement as well as include career applications. Form 3 new course proposal for Coaching 781

Eileen motioned to support the proposed change in the HPECT Portfolio and Career option as amended, John seconded, unanimously approved

Rick and Kristina shared Higher Education emphasis draft

- Change would include replacing the mid Capstone 726/724 with a 3 credit practicum, and 727 and 789 would be replaced with the HELEAD 781 Capstone Portfolio and Career Application
New course proposal HELEAD 781 writing a cover letter, doing a resume, interviewing. Change in sub-major is proposing an alternative option for students within the MSE-PD Higher Education Leadership emphasis; specifically to modify the midpoint and capstone sequence for graduate students in the MSE-PD HELEAD emphasis. Kristina will help in offering these courses. Rick will

explore offering the new HELEAD 781 as a special topic 710 for Fall 2014 while he also moves the new course proposal forward for approval.

John motioned to support change in the sub-major and the new course HELEAD 781 as amended, Kelly seconded, unanimously approved.

Any other emphasis areas interested in pursuing curricular work related to MSE-PD should contact Kristina, Kelly or Rick
