

# Project ASSIST Tutors Needed

Center for Students with Disabilities

## NOTE:

- \* must have completed one year of undergraduate courses and have maintained a 3.0 GPA

## Subject areas include:

- Math
- Social Work
- History
- Political Science
- Communications
- Religious Studies
- Liberal Studies
- Philosophy
- Safety
- Psychology
- Sociology
- MAGD

## Tutor Duties:

- Assist students to identify his/her "academic" learning styles and/or modes of learning, develop appropriate strategies and identify resources to meet these needs rather than just reinforcements of the course materials.
- Assist and guide the student in processing his or her homework on a scheduled basis.
- Review the student's academic progress on a regular basis.
- Problem solve with the student to make adjustments when concepts or processes are confusing or a new learning technique or skills needs to be implemented.
