Authorization Agreement for Direct Donations
Automated Clearing House (ACH) Debits

We now offer the convenience of making donations through pre-authorized withdrawal(s) from your bank account. With your authorization, we will automatically debit your checking account on the 15th of the month(s) in the amount you designate. At any time you may change or cancel your authorization so that you can maintain control throughout the process. Bank drafts are established according to your specifications and are canceled only when you submit a written request to the UW-Whitewater Foundation, Inc. Once your authorization form is received, allow two weeks for set up. You will see the debit on your bank statement for the amount and duration you specify.

Instructions: To sign up, simply complete this form and mail it to the address above or fax to: 262-472-5607. Since this form contains confidential bank account information we recommend you do not email it for security reasons. If you have questions please call Lauree Miller at: 262-472-1105.
