About
Google forms is a free Google application that allows you to quickly create and distribute a form to gather information. Form responses are saved in a Google spreadsheet in Google drive.

Opening Google Forms

**Step 1.** Open Google Chrome.
**Step 2.** Go to [http://drive.google.com](http://drive.google.com)
**Step 3.** Enter your full UWW email address, then click **next**.
**Step 4.** Enter your UWW password, then click **Sign in**.

You will now be signed into Google Drive.

**Step 5.** Select **New > More > Google Forms** from the available menu.
Editing Google Forms

Creating a New Form

**Step 1.** Select the type of form to create. You can create a blank form, a blank quiz, or select from a number of form templates.

Name a Form

**Step 1.** Click the “Untitled Form” name in the top left corner of the screen, then enter the form’s name. Hit the “Enter” key to submit your changes.

Form Title

Enter a form title and description by clicking on the fields.
**Edit Questions**

**Step 1.** Select “Untitled question” to enter your first question text.

**Step 2.** Use the dropdown to the right of the question to select the question type.

**Step 3.** Select each option to enter option text.

**Step 4.** Hit the “Enter” key to create a new option.

**Note:** Click the X to the right of each option to delete that option.

**Note:** Click the Add Other link to add an “Other” option to your list.

---

**Add Questions**

**Step 1.** Use the question toolbar to the right to add a new question, insert a new title and description, inset a picture, insert a video, or add a new section.

**Step 2.** Follow the steps above to edit the new question.
**Copy/Duplicate Question**
Copying a question allows you to quickly add a new question with the same format as your current question.

**Delete Questions**
The delete button allows you to delete the selected question and options from the list.

**Required Questions**
Select the “Required” button to make a question required.
**More Button**

The (More) button allows you to shuffle the order of questions and go to a new section based on a question answer.

---

**Form Colors/Themes**

You can change the form color or theme by clicking the (Color Palate) button in the top right corner of the page.

Click the button to select a picture theme or upload your own background theme picture.

---

**Preview Form**

Click the “Preview” button to open a new browser tab with a final view of your form. Close out of that tab to return to the “Edit Form” view to make changes.
**Advanced Form Settings**

Click the (Settings) button to customize your form.

**General Tab:** Allows you to restrict users from your form, collect email addresses of users filling out your form, limit 1 response, etc.

**Presentation Tab:** Allows you to display a progress bar, shuffle question order, and submit another form response. You can also modify your confirmation message once a user submits a form.
Quizzes: Allows you to set this form as a quiz, set grade options, etc.
Send Form
Click the Send button to view different ways to distribute your form.

Send Via Email: You can send your form via email to recipients or send the form email to yourself, then use Outlook to forward the form link to others.

Copy Form Link: Click the “link” icon to display the Form’s URL link. Select the Shorten URL option to display a short link option.

Click the Copy link in the bottom right to copy the link.
**Social Media:** Click any one of the social media icons to share the form link using a social media platform.
