| General Goal: Utilize the LEAP framework to increase the involvement and retention of sophomore students who are first generation, low income, or of minority status through the steps of the Connect the dots program. | |
| Planned Actions: <ul style="list-style-type: none"> • Develop plan to promote the program/concept of the Connect the Dots Program to targeted second-year students. • Create Connect the Dots email account • Find and select 50 students to participate in the pilot program in fall • Collect contacts and resources from offices and departments across campus • Create a magazine highlighting students who have shown that involvement is the key to success | |
| Deliverables, Completed Actions: <ul style="list-style-type: none"> • Connect the Dots Magazine—Dayton and Laprece contacted/interviewed students through the created email account. Four students were picked to be in the magazine. Becky and Dayton listened to the stories and wrote the articles. Ryan took the photos and compiled the magazine. • Collect contacts and resources— Faculty supervisor found (Ron Bucholz). City Year is willing to help with the promotion of the program. CLD will house the program. • Plan Developed— Three year/Three step plan created that students involved in the pilot will participate in. | |
| Notes: Video is in the works. Magazine is being updated. | |
