

The Last Lecture

Reflections from a Retiring Faculty Member

First in an annual series, sponsored by the LEARN Center

Bill Chandler

(Professor, artist and educator: Department of Curriculum & Instruction:)

Come hear his farewell remarks, entitled

“It’s Time To Take A Hike”

What will he say?

Will he be funny?

Will he be jaded and cynical?

What does that title mean? Is he taking the hike – or telling us to?

Will he impart wisdom to those of us remaining behind?

Gems of truth about education and life that will change us forever?

*Will he reveal secrets about himself or others that will shake us
to the foundation and create a media storm*

(see page 9 of the Royal Purple)?

Come for the answers; or just for the free lunch

Or so you can say that you were there when the magic happened.
