

Ready, Set, Explore!

Know your skills. Discover jobs. Keep learning. Reach your goals.

My name is:

Activity #1: “Interesting & Exciting jobs!” This activity will help you learn about other jobs and help you think of your dream job! Brainstorm and talk to a friend about jobs you think would be fun! Then fill out your answers to the questions below.

Dream Job:

I want to know more about these jobs:

My Past Jobs:

My Favorite Job:

Activity #2: “Tell Me About Yourself!” This is an activity to help you become more familiar and practice common questions for job interviews! Think about what jobs you are good at working on at work, and what would be some reasons an employer would want to hire you?

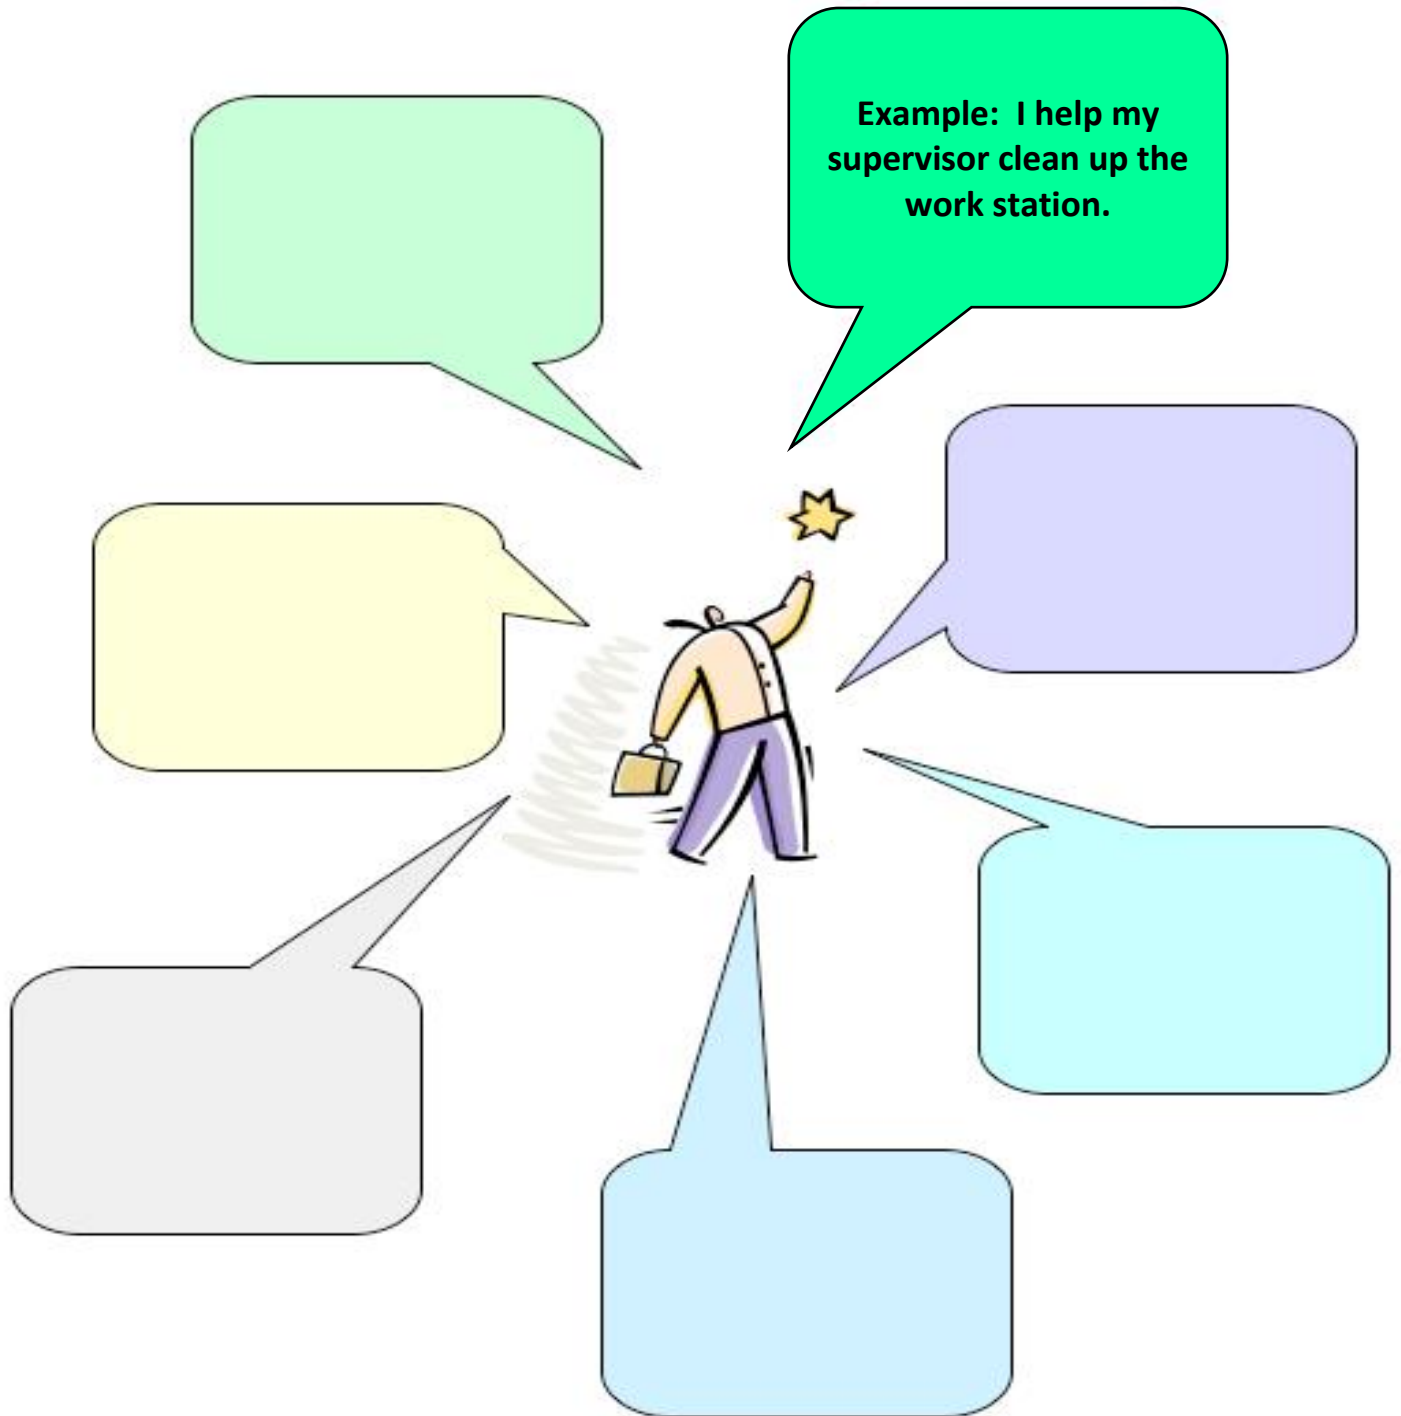

My Skills:

Things About Me:

Things I Like To Do:

Activity #3: "What can I do for an employer?" This activity will help you gain insight as to what skills and different abilities you have that will be beneficial to your employer and the workplace. When you are filling out the bubbles below, think about what you do at your current job, things that you are good at, chores you do at home, and previous work experience. Fill out the bubbles below.

What can I do for an employer?

Example: I help my supervisor clean up the work station.
