7. **Titling Committee Action** - The supervisor of the position will be afforded an opportunity to meet with the Committee to clarify any details about which the Committee has questions. 9. **Records Retention** - The Titling Committee records shall be retained by the Provost for at least seven (7) years.

10. **Criteria for Titling Decisions** - The Titling Committee will utilize the Title Evaluation System for Unclassified Staff (Category A) established in March 1986 and revised in January 1989. The committee will review the Position Description Questionnaire and assign a point value to each response. The total point value establishes a salary range for the position. The committee will then assign a title which best describes the duties of the position, and also corresponds to the appropriate salary range. The assignment of an Academic Staff Title is based on the primary duties of the position, i.e., 50% or more of the duties assigned. The title decision is based upon the Guidelines and Definitions contained in University Personnel Guideline #1: Unclassified Titles.

11. **Effective Date** - If the position is retitled, the new title will take effect on the first of the month following the Titling Committee action.

12. **Effect on Compensation** - If the retitling of a position places it in a higher salary range, the incumbent will receive a salary increase of five (5) percent, or be moved to the minimum of the new salary range, whichever is greater, on the title change effective date, subject to the maximum of the range.

**ARTICLE III - AD HOC COMMITTEES**

The Academic Staff Assembly is empowered to appoint ad hoc committees deemed appropriate to the interests of the academic staff. The function, length of term, and membership of the committee will be determined based on the charge of the committee.

F. A brief summary of the committee's activities, which may be combined with #5 above. Committee reports, as public documents, are expected to respect the confidentiality and privacy rights of academic staff members as they pertain to promotion, review and other similar issues.

The current Assembly chairperson shall compile the committee reports and present them to UW-Whitewater's Chancellor and Provost, the Executive Vice President of the UW System, current and newly-elected Assembly members, and other appropriate parties by August 1.
CHAPTER III: BY-LAW REVIEW AND AMENDMENT

The by-laws of the Academic Staff Assembly shall be reviewed annually and amended, if necessary, by a majority vote of the Academic Staff Assembly. Amendments may be initiated by one of the following methods:

1. Upon the recommendation of the Academic Staff Assembly;
2. Upon a petition submitted to the Academic Staff Assembly by twenty (20) percent of the total membership of the academic staff eligible for voting privileges or by a two-thirds (2/3) vote of returned ballots from a general mailing. This petition shall be submitted to the Academic Staff Assembly.
