UW-WHITEWATER REC SPORTS

ONLINE MEMBERSHIP FORM - HOW IT WORKS

- The online membership form is for individuals who wish to put their membership on their student bill
- Non-students must come to Williams Center Room 100 to obtain their membership
- Parents, guardians, etc. should not be purchasing a membership for their student via this form
- The online form is a Google form connected to the UW-Whitewater single sign-on network (not wifi - form can be accessed anywhere with an internet connection)
- Use your UW-Whitewater-issued NetID and password to access the form
- Complete the form and you should receive an email via your UW-Whitewater account containing a receipt confirming your form submission (check SPAM folders if you don't see an email in your inbox)
- Use this receipt confirmation to show staff proof of purchase until your Hawk Card is activated with your membership; this may take a few business days
- ALWAYS have your Hawk Card with you when entering a workout facility or class

I received a message stating I need permission to access the form. What happened?

Chances are, you may be signed in to your browser using personal credentials (i.e. Google, Yahoo!, etc.). The form is reading your personal credentials instead of UW-Whitewater credentials.

What should/can I do?

Either: a) sign out of your personal accounts and try again

OR   b) try opening another browser and try again

Questions or concerns? Contact us!

Our online inquiry form is linked here
