Material Safety Data Sheet

Science Stuff, Inc. 1104 Newport Ave Austin, TX 78753 Phone (512) 837-6020 Chemtrec 800-424-9300 24 Hour Emergency Assistance

Section 1 Identification	Section 6 Accidental Release Measures
Product Number: C1308	Absorb spill with inert material, then place in a chemical waste
Product Name: Bile Health: 1 Salts Flammability 1	container. Dispose of in a manner consistent with federal, local law.
Salts Reactivity 0	Section 7 Handling and Storage
Trade/Chemical Hazard Rating:	Store in a cool dry place. Do not get in eyes, on skin, on clothing. Wash
Formula: N/A Least Slight Moderate High Extreme	thoroughly after handling
0 1 2 3 4	Section 8 Exposure Controls & Personal Protection
C.A.S See Established	Respiratory Protection:Dust mask
Below	Mechanical: Hand Gloves to prevent skin Protection: exposure as latex or
Section 2 Component Mixture	Ventilation:
Sara Component CAS (g/ Prim Exposure	Local Exhaust: Eye Protection: Splash Goggles
	formal .
Bile Salts 100% W/W	Other Protective Equipment: Wear appropriate clothing to prevent skin exposure
Section 3 Hazard Identification (Also see section 11)	Section 9 Physical and Chemical Properties
Harmful if swallowed. May cause irritation. Avoid breathing vapors, or dusts. Use with adequate ventilation. Avoid contact with eyes, skin, and	Melting Point: Information not Specific Gravity not available
clothes. Wash thoroughly after handling. Keep container closed.	Boiling Point: Information not Percent Volatile by 0 available Volume:
Section 4 First Aid Measures	Vapor Pressure: Information not Evaporation Rate: 0
Harmful if swallowed. May cause irritation. Avoid breathing vapors, or dusts. Use with adequate ventilation. Avoid contact with eyes, skin, and clothes. Wash thoroughly after handling. Keep container closed.	Vapor Density: Information not Evaporation available Standard:
FIRST AID: SKIN: Wash exposed area with soap and water. If irritation persists, seek medical attention.	Solubility in soluble Auto ignition Not Water: Temperature: applicable
	Appearance and yellow-brown Lower Flamm. Limit Not in Air: applicable
EYES: Wash eyes with plenty of water for at least 15 minutes, lifting lids occasionally. Seek Medical Aid. INHALATION: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult,	Flash Point: not flammable Upper Flamm. Limit Not in Air: applicable
give oxygen	Section 10 Stability and Reactivity Information
INGESTION: If swallowed, induce vomiting immediately after giving	
two glasses of water. Never give anything by mouth to an unconscious person.	Stability: Stable Conditions to Avoid: None known Materials to Avoid:
Section 5 Fire Fighting Measures	Strong Oxidizers.
	Hazardous Decomposition Products: Oxides of Carbon
Fire Extinguisher Carbon Dioxide, dry chemical powder or appropriate foam	Hazardous Polymerization:Will Not Occur
Fire/Explosion dust at sufficient concentrations can form	Condition to Avoid:None known
Hazards: explosive mixtures in the presence of a spark or flame.	Costion 44 Additional Information
Fire Fighting Wear self-contained breathing apparatus and	Section 11 Additional Information
Procedure: protective clothing to prevent contact with skin and clothing.	This material may cause eye and skin irritation. Avoid inhalation. If eye contact occurs, flush with copious amounts of water. Prolonged contact
	with dust may cause respiratory irritation, allergic or asthmatic reaction.
	DOT Classification: Not Regulated
	DOT regulations may change from time to time. Please consult the
	most recent version of the relevant regulations.
	Revision No:0 Date Entered: 9/1/2005 Approved by: WPF

The information contained herein is believed to be accurate and is offered in good faith for the user's consideration and investigation. No warranty is expressed or implied regarding the completeness or accuracy of this information, whether originating from Science Stuff, Inc. or from an alternate source. Users of this material should satisfy themselves by independent investigation of current scientific and medical information that this material may be safely handled.
