---

### Section I. PRODUCT IDENTIFICATION

---

Product Name: FRAGRANCE COMPOUND (S)

Hazardous Ingredient(s):

The specific chemical identities of the ingredients of this mixture are considered by Belle-Aire to be Trade Secrets and are withheld in accordance with the provisions of subsection 1910.1200 of Title 29 of the Code of Fed. Reg.

---

### Section II PHYSICAL / CHEMICAL CHARACTERISTICS

---

Boiling Point:	N/A* °C @	mm Hg	Vapor Pressure:	N/A	mm @ 20°C.
Melting Point:	N/A	°C	Vapor Density (air=1):	>1	
Specific Gravity:	N/A		Percent Volatile @ 70°F:	N/A	
Solubility:	N/A	in water	Evaporation Rate (Butyl Acetate =1):	N/A	
Appearance and Odor:	N/A				

---

### Section III FIRE AND EXPLOSION HAZARDS

---

Flash Point:  $\geq 100^{\circ}\text{F}$  (TCC)                      Flammable Limits: N/A

Extinguishing Media: Carbon Dioxide, dry chemical or foam.

Special Fire Fighting Procedures: Self-contained breathing apparatus and protective clothing should be worn when fighting fires involving chemicals.

Unusual Fire and Explosion Hazards: Closed containers can build pressure and may rupture if exposed to fire.

---

### Section IV REACTIVITY DATA

---

This product presents no significant reactivity hazard.

---

### Section V HEALTH HAZARD DATA

---

Routes of Entry: Inhalation and skin contact.

Health Hazards Including Signs and Symptoms of Overexposure: This MSDS is provided as an interim statement for evaluation of a Belle-Aire mixture sample. If this mixture is purchased or ordered in quantity from Belle-Aire, a specific MSDS will be provided which will include details of the health hazards of all ingredients present in reportable quantities. As an interim precaution, this mixture should be considered an irritant to the eyes, skin, nose and throat.

Medical Conditions Generally Aggravated by Exposure: None known to Belle-Aire.

Emergency and First Aid Procedures:

Inhalation: Remove from the exposure to fresh air. Contact a physician as necessary. If breathing is irregular or has stopped, start resuscitation, administer oxygen if available.

---

\*N/A - Not applicable, or no information currently available

⊗

Section V - Continued

**Eye Contact:** Flush immediately with clean water for at least 15 minutes. Contact a physician if irritation persists.

**Skin Contact:** Remove any contaminated clothing or shoes. Wash affected areas thoroughly with soap and water. If irritation persists, contact a physician.

**Ingestion:** Give water to dilute. Contact a physician immediately.

---

Section VI PRECAUTIONS FOR SAFE HANDLING AND USE

---

**Steps to be Taken if Material is Released or Spilled:** Eliminate all ignition sources. Ventilate area. Contain spill and recover free product.

**Waste Disposal Methods:** Place material and absorbant into sealed containers and dispose of in accordance with current applicable laws and regulations.

**Handling and Storage Precautions:** Store in a cool, dry, ventilated area away from any heat sources. Keep containers tightly closed and upright when not in use.

**Other Precautions:** Good manufacturing practices dictate that an eyewash fountain and/or safety shower should be available in the work area.

---

Section VII CONTROL MEASURES

---

**Respiratory Protection:** None generally required. If desired, wear NIOSH approved respirator.

**Ventilation:** Local exhaust meeting ACGIH criteria as needed to control dust/vapor.

**Protective Gloves:** Use chemical resistant gloves as needed to avoid prolonged or repeated contact.

**Eye Protection:** Use goggles or face shield when eye contact might occur.

**Work/Hygienic Practices:** Avoid inhalation and contact with skin and eyes. Good personal hygiene practices should be used.

---

DISCLAIMER

---

The information in this MSDS was obtained from current and reliable sources. However, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions for use, handling, storage and disposal of this product are beyond Belle-Aire's control, it is the user's responsibility both to determine safe conditions for use of this product and to assume liability for loss, injury, damage, or expense arising out of the product's improper use. No warranty, express or implied, regarding the product described herein shall be created by or inferred from any statement or omission in this MSDS. Various government agencies (e.g. DOT, EPA, FDA) may have specific regulations concerning the transportation, handling, storage, use or disposal of this product which may not be reflected in this MSDS. The user should review these regulations to ensure full compliance.
