

**MATERIAL SAFETY
DATA SHEET**

SECTION I - IDENTIFICATION

COMMON NAME: Spray Buff Cleaner **CAS NUMBER:** None
CHEMICAL NAME: None **TRADE NAME:** Spray Buff Cleaner
MANUFACTURER: PermaGrain Products, Inc.
EMERGENCY CONTACT #: (814) 263-4871 **DATE PREPARED:** 07-89
TECHNICAL INFORMATION #: (814) 263-4871 **DATE REVISED:** 12-16-94

SECTION II - HAZARDOUS INGREDIENTS

COMPONENT	CAS Number	PEL/TLV SOURCE
Water	7732-18-5	Not Hazardous
Acrylate Copolymer	63744-68-3	Not Hazardous
Ethylene Glycol-n-Butyl Ether (3% - 7% by weight)	111-76-2	25 ppm OSHA PEL and ACGIH TLV

SECTION III - PHYSICAL DATA

BOILING POINT: 212°F **MELTING POINT:** Not Applicable
VAPOR PRESSURE: Not Available **SPECIFIC GRAVITY:** 1.0-1.2
VAPOR DENSITY IN AIR: Not Available **EVAPORATION RATE:** 1 (water = 1)
SOLUBILITY IN H₂O: Infinitely
APPEARANCE AND ODOR: Clear blue liquid with a detergent-like fragrance.

SECTION IV - FIRE AND EXPLOSION DATA

FLASH POINT: Greater than 250°F
AUTOIGNITION TEMPERATURE: Greater than 250°F
EXPLOSIVE LIMITS IN AIR: Not Applicable
EXTINGUISHING MEDIA: Water, CO₂, Dry Chemical, Foam
SPECIAL FIRE FIGHTING PROCEDURES: Toxic gasses may be released. Firefighters should wear self contained, positive-pressure breathing apparatus.
UNUSUAL FIRE AND EXPLOSION HAZARD: None

SECTION V - HEALTH DATA

SKIN AND EYE CONTACT: Direct contact with skin may cause irritation on sensitive skin. Direct contact with eyes will cause irritation.
INHALATION: Excessive and prolonged exposure may cause headaches and mucus membrane irritation.
INGESTION: Small amounts swallowed incidental to normal handling procedures are most unlikely to cause injury. Large amounts ingested may cause nausea and injury.
SKIN ABSORPTION: Not likely to cause injury with normal handling procedures. Excessive and prolonged exposure may be harmful.
CHRONIC EFFECTS: No known chronic effects. Ingredients not listed on OSHA, IARC, or NTP carcinogen lists.
