

University of Wisconsin - Whitewater
Fundraising Policy
For Recognized Student Organizations, Student Committees
and Student Groups

This policy statement is developed to further outline Career & Leadership Development's role in relation to the University Policy on Sales and Solicitation.

Sales Conducted by Student Organizations, Committees, & Groups:

All recognized student organizations, student committees and student groups may solicit financial support and/or sell items as a project of that organization subject to the following regulations:

1. All sales and fundraising must comply with the UW-Whitewater Policy for Campus Sales and Solicitation. See Career & Leadership Development, UC 146, regarding this policy.
2. Sales/fundraising in the University Center, Esker and Drumlin Halls, must be conducted at Hallway Tables and must conform to the regulations for use of Hallway Tables. See Career & Leadership Development, UC 146, for Hallway Table Policy. See University Center Reservations, UC 253 to request use of hallway tables.
3. Sales conducted by private vendors must comply with the University Center's Hallway Table Policy, which apply to the use of Hallway Tables in the University Center, Esker and Drumlin Halls. The sale of items by private vendors in all other University buildings and grounds is subject to the approval of the appropriate building and grounds supervisor.
4. All sales/fundraising to be conducted on campus must be registered with and approved prior to the sale. See Career & Leadership Development, UC 146, to obtain a Fundraiser Registration Form and approval.
5. The determination of appropriate items for sale shall be done by Career & Leadership Development staff. However, as a general guideline the following applies:
 - a. With the exception of the sale of baked goods and candy (see "b"), no other food preparation/sales will be permitted. This is in accordance with the University Food Service Contract.
 - b. "Homemade" baked goods (no store purchased) and candy sales will be permitted.
 - c. With the exception of baked goods and candy ("b" above), no other items allowed for sale should be in competition with items sold by the University. Various clothing items or other Warhawk memorabilia may be in conflict with items for sale at the University Bookstore. Career & Leadership Development staff shall consult with the Director of the University Bookstore regarding items of this type. If an item is found to be in conflict with Bookstore sales, permission for the sale of the items will not be granted in the UC and/or Esker and Drumlin Halls. It is important for organizations to obtain permission prior to the purchase of product.
