

WCC Covid-19 Reservation Policy & Requirements

Covid-19 Reservation Policy:

Due to the current Covid-19 crisis, the WCC will be suspending reservations and events in this area. Unfortunately, due to the new stipulations placed on the number of individuals allowed to be in the space, with at least a 6ft distance between one another, we are unable to host or allow others to host events in the area for the time being.

WCC Space Requirements:

Students will still have access to the space, but will need to have their masks on while in the area. In addition, students will need to be aware of the limited available space open to them when in the WCC. The space can be utilized by students as a study area, and will safely be able to accommodate 24 individuals. This amount has been carefully solidified due to the amount of space available in the area that will also allow students to maintain at least a 6ft distance from others. If tables and seating are completely full students will be asked to find another area to study for safety reasons.

WCC Personnel Contact Information:

WCC email address: WCC@uww.edu

Program Coordinator email address: BroadwatAS15@uww.edu

If you have any questions pertaining to the space or any of the current requirements or policies please do not hesitate to contact our WCC interns or the Program Coordinator directly.

Covid-19 Reservation Policy & Requirements:

- Hosting events & reserving the space is temporarily unavailable
- The space will be able to hold a maximum of 24 students
- Individuals in the space must be separated by at least 6ft
- Masks must be worn by those within the space
