

Evaluation Report for Program Review Face to Face Meeting University of Wisconsin-Whitewater: Cybersecurity (MS), 2025- 2026

Overview of review team evaluation, program comments:

This program received a “continuation without qualification” result from the program review committee. Based on this result, the program chose not to meet for the face-to-face meeting and instead will review the results provided within the Department.

Recommended Actions:

Recommended Action #1

Develop a strategic plan to better communicate value and market the program to employers and prospects. Highlight the distinctive advantage of the curriculum and experiences of the master's program.

Recommended Action #2

Finalize mission statement to solidify program identity in alignment with university and college values.

Recommended Action #3

Establish advisory board and complete advisory survey.

Recommended Action #4

Review current strategies for sustainable enrollment and develop/implement new ones.

Recommended Action #5

Report strategies for tracking post-graduation placements and resulting benefits.

Recommended Action #6

Report updates or changes to the assessment process/plan.

Recommended Result:

Continuation without qualification

Next Self-Study and/or Progress Report Due Dates:

1 - Next SHORT self-study will be due to the Dean on May 1, 2032, and to the Assessment Office on August 1, 2032
