Note: Retention and graduation rates shown reflect student enrollment or graduation across consecutive years Fall-to-Fall as a percentage of the original cohort. As a result of UW System restructuring, persistence rates reflect retention at either the main or branch campus. Enrollment excludes study away students. Graduation rates at the UW-Whitewater Main Campus refer to the acquisition of a four-year undergraduate degree. Additional definitions are available in the IRP Glossary at: <http://www.uww.edu/irap>
